Item 5. Other Events and Required FD Disclosure.

As previously disclosed by the Registrant on Form 8-K, the Registrant sent a notice on March 21, 2003 (the "Original Notice") to its executive officers and directors pursuant to Regulation BTR advising them of a Blackout Period (the "Blackout Period"). The Original Notice provided that the Blackout Period pursuant to Regulation BTR was expected to begin on April 24, 2003, and end no later than May 16, 2003. The Registrant has given notice to all of its employees and directors and executive officers, and hereby advises the Commission, that the actual ending date for the Blackout Period was May 12, 2003, as opposed to the uncertain ending date the Registrant previously advised of no later than May 16, 2003. The reason for this change is that the transition to a new recordkeeping service provider did not take as long as anticipated by the Registrant. The actual beginning date was correctly stated in the Original Notice, April 24, 2003.
