Indenture

On March 4, 2021, Comstock Resources, Inc. (the “Company”) issued \$1.25 billion aggregate principal amount of its 6.75% senior notes due 2029 (the “Notes”) in a public offering (the “Offering”) pursuant to an Indenture, dated as of March 4, 2021 (the “Indenture”), by and among the Company, all of the subsidiaries of the Company and American Stock Transfer & Trust Company, LLC (“AST”), as trustee. All of the Company’s subsidiaries agreed to unconditionally guarantee the Company’s obligations under the Indenture and Notes.

The Notes will mature on March 1, 2029 and accrue interest at a rate of 6.75% per annum, payable semi-annually on March 1 and on September 1 of each year, commencing on September 1, 2021.

The Notes are senior unsecured obligations of the Company and rank equally in right of payment with all of the Company’s existing and future senior indebtedness and senior in right of payment to all of the Company’s existing and future subordinated indebtedness. The Notes are effectively subordinated to any of the Company’s existing and future secured indebtedness to the extent of the value of the collateral securing such indebtedness, including all borrowings under the Company’s bank credit facility. The Notes are structurally subordinated to all liabilities of any of the Company’s subsidiaries that do not issue guarantees of the Notes.

On or after March 1, 2024, the Company may on one or more occasions redeem the Notes, in whole or in part, upon not less than 15 or more than 60 days’ notice, at the redemption prices (expressed as percentages of principal amount) set forth below, *plus* accrued and unpaid interest, if any, to, but excluding, the date of redemption, if redeemed during the 12-month period beginning on March 1 of the years indicated below:

Year	Redemption Price
2024	103.375 %
2025	102.250 %
2026	101.125 %
2027 and thereafter	100.000 %

At any time before March 1, 2024, the Company may also redeem up to 35% of the aggregate principal amount of the Notes at a redemption price not greater than the net cash proceeds from certain equity offerings at the redemption price specified in the Indenture, plus accrued and unpaid interest, if any, to the date of redemption, with the proceeds of certain equity offerings.

Upon the occurrence of a Change of Control Triggering Event (as defined in the Indenture), each holder of Notes may require the Company to repurchase all or a portion of the Notes in cash at a price equal to 101% of the aggregate principal amount of the Notes to be repurchased, plus accrued and unpaid interest, if any, thereon to the date of repurchase.

The Indenture contains covenants that limit, among other things, the Company’s and its restricted subsidiaries’ ability to (1) incur or guarantee additional debt or issue disqualified capital stock, (2) pay dividends or make other distributions on capital stock, (3) repurchase or redeem capital stock, (4) prepay, redeem or repurchase subordinated debt, (5) make certain investments, (6) create liens, (7) enter into transactions with affiliates, (8) sell assets, (9) issue or sell preferred stock of certain subsidiaries, and (10)

engage in mergers or consolidations. These covenants are subject to a number of important exceptions or qualifications.

The foregoing descriptions of the Indenture and the Notes are not complete and are qualified in their entirety by reference to the full text of the Indenture, a copy of which is filed herewith as Exhibit 4.1, and is incorporated into this Item 1.01 by reference.

Supplemental Indenture

Pursuant to the previously announced cash tender offers (the “Tender Offers”) for up to \$1.25 billion aggregate maximum purchase price (the “Aggregate Maximum Purchase Price”) of its outstanding (i) 7.50% senior notes due 2025 (the “2025 Notes”), (ii) 9.75% senior notes due 2026 (the “First 2026 Notes”) issued under the indenture dated August 3, 2018, and (iii) 9.75% senior notes due 2026 (the “Second 2026 Senior Notes”, and together with the 2025 Notes and the First 2026 Notes, the “Existing Notes”) issued under the base indenture dated June 23, 2020, as modified by the First Supplemental Indenture, dated as of June 23, 2020 (as amended and supplemented to date, the “Second 2026 Indenture”), the Company received sufficient consents from the holders of the Second 2026 Notes (and met the other conditions set forth in the relevant Offer to Purchase dated February 18, 2021, as amended and supplemented), to enter into the supplemental indenture to the Second 2026 Indenture governing such Second 2026 Notes. On March 4, 2021, the Company, its guarantor subsidiaries and AST, as trustee, entered into the Second Supplemental Indenture amending and supplementing the Second 2026 Indenture (the “Second 2026 Notes Supplemental Indenture”). The Second 2026 Notes Supplemental Indenture amends the applicable redemption provisions to allow the Company to redeem the Second 2026 Notes upon not less than three business days’ prior written notice and eliminates most of the covenants and certain default provisions applicable to the Second 2026 Notes.

The foregoing descriptions of the Second 2026 Notes Supplemental Indenture is not complete and is qualified in its entirety by reference to the full text of the Second 2026 Notes Supplemental Indenture, a copy of which is filed herewith as Exhibit 4.2, and is incorporated into this Item 1.01 by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above with respect to the Notes, the Indenture and the Supplemental Indenture is hereby incorporated into this Item 2.03 by reference, insofar as it relates to the creation of a direct financial obligation.

Item 8.01 Other Events.

On March 4, 2021 (the “Early Tender Date”), in connection with the Tender Offers, the Company accepted for payment and paid for \$375,000,000 in aggregate principal amount of 2025 Notes, \$74,819,000 in aggregate principal amount of First 2026 Notes, and \$702,247,000 in aggregate principal amount of Second 2026 Notes, which were validly tendered and not validly withdrawn (the “Purchased Existing Notes”). The Tender Offer will expire at 11:59 pm, New York City time, on March 17, 2021, unless extended by the Company. Because the purchase price for the Existing Notes tendered prior to the Early Tender Date exceeds the Aggregate Maximum Purchase Price, the Company does not expect to accept for purchase any tenders of Existing Notes after the Early Tender Date.

(ii) estimated Proved Reserves of the Company and its Restricted Subsidiaries attributable to upward revisions of estimates of Proved Reserves since the date of such year-end or quarterly reserve report, as applicable, due to exploration, development or exploitation, production or other activities, in each case calculated in accordance with Commission guidelines (utilizing the prices utilized in such year-end reserve report),

and decreased by, as of the date of determination, the estimated discounted future net revenues from:

(iii) estimated Proved Reserves of the Company and its Restricted Subsidiaries produced or disposed of since the date of such year-end or quarterly reserve report, as applicable, and

provided that, in the case of each of the determinations made pursuant to clauses (i) through (iv), such increases and decreases shall be as estimated by the Company's petroleum engineers;

(b) the capitalized costs that are attributable to oil and gas properties of the Company and its Restricted Subsidiaries to which no Proved Reserves are attributable, based on the Company's books and records as of a date no earlier than the date of the Company's latest annual or quarterly financial statements;

(d) the discounted future net revenues, calculated in accordance with Commission guidelines, attributable to reserves subject to Dollar-Denominated Production Payments which, based on the estimates of production and price assumptions included in determining the discounted future net revenues specified in clause (1)(a) above, would be necessary to fully satisfy the payment obligations of the Company and its Restricted Subsidiaries with respect to Dollar-Denominated Production Payments (determined, if applicable, using the schedules specified with respect thereto).

“*Adjusted Net Assets*” of a Subsidiary Guarantor at any date shall mean the amount by which the fair value of the properties and assets of such Subsidiary Guarantor exceeds the total amount of liabilities, including, without limitation, contingent liabilities (after giving effect to all other fixed and contingent liabilities incurred or assumed on such date), but excluding liabilities under its Subsidiary Guarantee, of such Subsidiary Guarantor at such date.

“*Affiliate*” means, with respect to any specified Person, any other Person directly or indirectly controlling or controlled by or under direct or indirect common control with such specified Person; and the term “*Affiliated*” shall have a meaning correlative to the foregoing. For

 - (b) the outstanding principal amount of such Note on such redemption date,

in each case, as calculated by the Company or on behalf of the Company by such Person as the Company shall designate; *provided, however*, that such calculation shall not be a duty or obligation of the Trustee.

“Applicable Procedures” means, with respect to any transfer or exchange of or for beneficial interests in any Global Note, the rules and procedures of the Depositary, Euroclear and Clearstream that apply to such transfer or exchange.

“Asset Sale” means any sale, issuance, conveyance, transfer, lease or other disposition to any Person other than the Company or any of its Restricted Subsidiaries (including, without limitation, by means of a Production Payment, net profits interest, overriding royalty interest, sale and leaseback transaction, merger or consolidation) (collectively, for purposes of this definition, a “transfer”), directly or indirectly, in one or a series of related transactions, of (1) any Capital Stock of any Restricted Subsidiary, (2) all or substantially all of the properties and assets of any division or line of business of the Company or any of its Restricted Subsidiaries or (3) any other properties or assets of the Company or any of its Restricted Subsidiaries. (q) dispositions of joint venture interests required by the terms of the documents governing such joint venture;

“*Attributable Indebtedness*” means, with respect to any particular lease under which any Person is at the time liable and at any date as of which the amount thereof is to be determined, the present value of the total net amount of rent required to be paid by such Person under the lease during the primary term thereof, without giving effect to any renewals at the option of the lessee, discounted from the respective due dates thereof to such date at the rate of interest per annum implicit in the terms of the lease. As used in the preceding sentence, the net amount of rent under any lease for any such period shall mean the sum of rental and other payments required to be paid with respect to such period by the lessee thereunder excluding any amounts required to be paid by such lessee on account of maintenance and repairs, insurance, taxes, assessments, water rates or similar charges. In the case of any lease which is terminable by the lessee upon payment of a penalty, such net amount of rent shall also include the amount of such penalty, but no rent shall be considered as required to be paid under such lease subsequent to the first date upon which it may be so terminated.

“*Average Life*” means, with respect to any Indebtedness, as at any date of determination, the quotient obtained by dividing (1) the sum of the products of (a) the number of years (and any portion thereof) from the date of determination to the date or dates of each successive scheduled principal payment (including, without limitation, any sinking fund or mandatory redemption payment requirements) of such Indebtedness multiplied by (b) the amount of each such principal payment by (2) the sum of all such principal payments.

ARTICLE 2.

THE NOTES

Section 2.01. Form and Dating.

(a) General. The Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A attached hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Note shall be dated the date of its authentication. The Notes shall be issued in registered, global form without interest coupons and only shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Company, the Subsidiary Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) Global Notes. Notes issued in global form shall be substantially in the form of Exhibit A attached hereto (including the Global Note Legend thereon and the "Schedule of Increases or Decreases in Global Note" attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend thereon and without the "Schedule of Increases or Decreases in Global Note" attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified therein and each shall provide that it shall represent the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee, as Custodian, in accordance with instructions given by the Holder thereof as required by Section 2.06.

(c) Euroclear and Clearstream Procedures Applicable. The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Cedel Bank" and "Customer Handbook" of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Global Notes that are held by Participants through Euroclear or Clearstream.

(d) Additional Notes. Notwithstanding anything else herein, with respect to any Additional Notes issued subsequent to the date of this Indenture, when the context requires all provisions of this Indenture shall be construed and interpreted to permit the issuance of such Additional Notes and to allow such Additional Notes to become fungible and interchangeable with the Initial Notes originally issued under this Indenture. Indebtedness represented by Additional Notes shall be subject to the covenants contained in this Indenture.

Section 2.02 Execution and Authentication.

- (a) At least one Officer of the Company shall sign the Notes on behalf of the Company by manual, facsimile or electronic signature.
- (b) If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.
- (c) A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.
- (d) The Trustee shall authenticate (i) Initial Notes for original issue on the Issue Date in the aggregate principal amount not to exceed \$1,250,000,000 and (ii) subject to the terms of this Indenture, Additional Notes in an aggregate principal amount to be determined at the time of issuance and specified therein, in each case, upon a written order of the Company in the form of an Officers' Certificate (an "*Authentication Order*"). In each case, the Trustee shall receive an Officers' Certificate and an Opinion of Counsel of the Company that it may reasonably require in connection with such authentication of Notes. Each Authentication Order shall specify the amount of Notes to be authenticated and the date on which the Notes are to be authenticated, whether the Notes are to be Initial Notes or Additional Notes and whether the Notes are to be issued as Definitive Notes or Global Notes or such other information as the Trustee may reasonably request. With respect to authentication pursuant to clause (ii) of the first sentence of this paragraph, such Authentication Order from the Company shall be accompanied by an Opinion of Counsel of the Company in a form reasonably satisfactory to the Trustee stating that the issuance of the Additional Notes does not give rise to an Event of Default, complies with this Indenture and has been duly authorized by the Company.
- (e) The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate the Notes. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

Section 2.03 Registrar and Paying Agent.

- (a) The Company shall at all times maintain an office or agency in the United States where Notes may be presented for registration of transfer or for exchange (the "*Registrar*") and an office or agency in New York, New York where Notes may be presented for payment (the "*Paying Agent*"). The Registrar shall keep a register of the Notes and of their transfer and exchange (the "*Register*"). The Company may have one or more co-registrars and one or more additional paying agents. The term "*Registrar*" includes any co-registrar, and the term "*Paying Agent*" includes any additional paying agent.
- (b) The Company shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture, which shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee in writing of the name

and address of any such agent. If the Company fails to maintain a Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(c) The Company initially appoints the Trustee as Registrar and Paying Agent in connection with the Notes at the Corporate Trust Office of the Trustee. The Company may change the Registrars and the Paying Agents without prior notice to the Holders.

(d) The Company initially appoints The Depository Trust Company (“DTC”) to act as Depository with respect to the Global Notes.

Section 2.04. Paying Agent to Hold Money in Trust.

Prior to 10:00 a.m., New York City time, on each date on which any principal, premium, if any, or interest on any Note is due and payable, the Company shall deposit with the Paying Agent a sum sufficient to pay such principal, premium, if any, and interest when so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, or premium, if any, or interest, if any, on, the Notes and shall notify the Trustee of any default by the Company in making any such payment. If the Company or any of its Subsidiaries acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund for the benefit of the Holders. The Company at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee, and the Trustee may at any time during the continuance of any Event of Default under Section 6.01(a) or (b), upon written request to a Paying Agent, require such Paying Agent to forthwith pay to the Trustee all sums so held in trust by such Paying Agent and, in each case, to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.04, the Paying Agent (if other than the Company or any of its Subsidiaries) shall have no further liability for the money delivered to the Trustee. Upon any bankruptcy, reorganization or similar proceeding with respect to the Company, the Trustee shall serve as Paying Agent for the Notes.

Section 2.05. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Company shall furnish to the Trustee in writing, at least 5 Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

Section 2.06 Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. A Global Note may be transferred, as a whole and not in part, by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or to another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

Definitive Notes shall be issued and delivered to each person that the Depositary identifies as a beneficial owner of the related Notes only if:

- (1) the Depositary notifies the Company at any time that it is unwilling or unable to continue as Depositary for the Global Notes and a successor depositary is not appointed within 90 days;
- (2) the Depositary ceases to be registered as a clearing agency under the Exchange Act and a successor Depositary is not appointed within 90 days;
- (3) the Company, at its option, executes and delivers to the Trustee and Registrar an Officers' Certificate pursuant to which it elects to cause the issuance of Definitive Notes; or
- (4) an Event of Default with respect to the Notes has occurred and is continuing and such beneficial owner requests that its Notes be issued in the form of Definitive Notes.

Upon the occurrence of any of the preceding events in (1), (2), (3) or (4) above, Definitive Notes shall be issued in such names as the Depositary shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06; however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) or (c) hereof.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) Transfer of Beneficial Interests in the Same Global Note.

(A) Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend and any Applicable Procedures. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. Except as may be required by any Applicable Procedures, no written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(1).

(B) The following provisions shall apply with respect to any proposed transfer of a beneficial interest in a Regulation S Global Note or any Definitive Note issued in exchange therefor prior to the expiration of the Restricted Period:

(i) a transfer thereof to a QIB shall be made upon the representation of the transferee, in the form of a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Company as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; and

(ii) a transfer thereof to a Non-U.S. Person shall be made upon receipt by the Trustee or its agent of a certificate substantially in the form set forth in Exhibit B hereto, including the certifications in item (2) thereof from the transferor and, if requested by the Company or the Trustee, delivery of an opinion of counsel, certification and/or other information satisfactory to each of them.

After the expiration of the Restricted Period, beneficial interests in a Regulation S Global Note or Definitive Notes issued in exchange therefor may be transferred without requiring certification set forth in Exhibit B or any additional certification.

(2) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests in the Global Notes that are not subject to Section 2.06(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either (A)(1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or (B) (1) if permitted under Section 2.06(a) hereof, a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise

applicable under the Securities Act, the Trustee shall adjust the principal amount at maturity of the relevant Global Notes pursuant to Section 2.06(g) hereof.

(3) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee shall take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof or, if permitted by the Applicable Procedures, item (3) thereof; or

(B) if the transferee shall take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(4) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in the Unrestricted Global Note. A beneficial interest in any Restricted Global Note may be exchanged by any Holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.06(b)(2) above and:

(A) the Registrar receives the following:

(i) if the Holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(ii) if the Holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in clause (A), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to clause (A) above at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to clause (A) above.

(5) Transfer or Exchange of Beneficial Interests in an Unrestricted Global Note for Beneficial Interests in a Restricted Global Note Prohibited. Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(D) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof; or

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(g) hereof, and the Company shall execute and the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive

Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c)(1) shall be registered in such name or names and in such authorized denomination or denominations as the Holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. (2) [Reserved]

(3) Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes. Subject to Section 2.06(a) hereof, a Holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if:

and, in each such case set forth in this subparagraph (A), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of any of the conditions of any of the clauses of this Section 2.06(c)(3), the Company shall execute and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate and deliver a Definitive Note that does not bear the Private Placement Legend in the appropriate principal amount to the Person designated by the holder of such beneficial interest in instructions delivered to the Registrar by the Depositary and the applicable Participant or Indirect Participant on behalf of such holder, and the Trustee shall reduce or cause to be

Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.07(c)(4) shall be registered in such name or names and in such authorized denomination or denominations as the Holder of such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(4) shall not bear the Private Placement Legend.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests.

(1) Restricted Definitive Notes to Beneficial Interests in Restricted Global Notes. If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to subparagraphs (2)(A) or (3) above at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. Upon satisfaction of the conditions of any of the clauses of this Section 2.06(e)(2), the Trustee shall cancel the prior Restricted Definitive Note and the Company shall execute, and upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate and deliver an Unrestricted Definitive Note in the appropriate aggregate principal amount to the Person designated by the Holder of such prior Restricted Definitive Note in instructions delivered to the Registrar by such Holder.

(3) Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11. (h) General Provisions Relating to Transfers and Exchanges.

(1) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon the Company's order or at the Registrar's request.

(2) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.10, 4.15 and 9.05).

(3) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid and legally binding obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) The Company shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 and ending at the close of business on the day of selection, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or (C) to register the transfer of or to exchange a Note between a record date and the next succeeding Interest Payment Date.

(7) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile with the original to follow by first class mail or delivery service.

Section 2.07. Replacement Notes.

(a) If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall, upon its receipt of an Authentication Order from the Company, authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met and the Holder satisfies any other reasonable requirements of the Trustee. If required by the Registrar or the Company, such Holder shall furnish an indemnity bond sufficient in the judgment of the Registrar, the Trustee and the Company to protect the Company, the Trustee, the Paying Agent and the Registrar from any loss which any of them may suffer if a Note is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Note.

(b) Every replacement Note is an additional obligation of the Company.

Section 2.08. Outstanding Notes.

(a) The Notes outstanding at any time are all Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions of this Indenture, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

(b) If a Note is replaced pursuant to Section 2.07 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.07.

(c) If the Paying Agent (other than the Company or a Subsidiary thereof) holds in trust, in accordance with this Indenture, by 11:00 a.m. New York City time, on a redemption date or other maturity date money sufficient to pay all principal, interest and premium, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, then on and after that date such Notes (or portions thereof) shall cease to be outstanding and interest on them shall cease to accrue.

Section 2.09. Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Subsidiary Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Subsidiary Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee actually knows are so owned will be so disregarded.

Section 2.10. Temporary Notes.

In the event that Definitive Notes are to be issued under the terms of this Indenture, until definitive Notes are ready for delivery, the Company may prepare and the Trustee shall, upon its receipt of an Authentication Order from the Company, authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate Definitive Notes and deliver them in exchange for temporary Notes. Holders of temporary Notes shall be entitled to all of the benefits under this Indenture.

Section 2.11. Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange, replacement or payment. The Trustee and no one else shall cancel and destroy (subject to the record retention requirements of the Exchange Act) all Notes surrendered for registration of transfer, exchange, replacement, payment or cancellation. If the Company or any Subsidiary Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.11. Upon written request, the Trustee will deliver a certificate of such cancellation to the Company unless the Company directs the Trustee in writing to deliver canceled Notes to the Company instead. The Company may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation.

Section 2.12. Defaulted Interest.

If the Company defaults in a payment of interest on the Notes, the Company shall pay defaulted interest at the rate specified in Section 4.01(b) (plus interest on such defaulted interest to the extent lawful) in any lawful manner. The Company may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Company shall fix or cause to be fixed any such special record date and payment date (which special record date shall not be less than 10 days prior to the related payment date) to the reasonable satisfaction of the Trustee and shall promptly send to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

Section 2.13. CUSIP and ISIN Numbers.

The Company in issuing the Notes may use “CUSIP” numbers and corresponding “ISINs” (if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers and corresponding “ISINs” in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any changes in “CUSIP” or “ISIN” numbers.

Section 2.14. Issuance of Additional Notes.

The Company shall be entitled to issue Additional Notes under this Indenture that shall have identical terms and conditions as the Initial Notes issued on the Issue Date, other than with respect to the date of issuance, issue price, the first Interest Payment Date applicable thereto and the amount of interest payable on the first Interest Payment Date applicable thereto; *provided* that such issuance is not prohibited by Section 4.09. The Initial Notes issued on the Issue Date and any Additional Notes shall be treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions, Change of Control Offers and Asset Sale Offers; *provided* that Additional Notes will not be issued with the same CUSIP or ISIN, as applicable, as the Notes issued on the Issue Date unless such Additional Notes are fungible with the Notes issued on the Issue Date for U.S. federal income tax purposes. For the purposes of this Indenture, except for Section 4.09, references to the Notes include Additional Notes, if any.

With respect to any Additional Notes, the Company shall set forth in a resolution of its Board of Directors and in an Officers' Certificate, a copy of each of which shall be delivered to the Trustee, the following information:

- (1) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture; and
- (2) the issue price, the applicable issue date, the CUSIP number of such Additional Notes, the first Interest Payment Date and the amount of interest payable on such first Interest Payment Date applicable thereto and the date from which interest shall accrue.

ARTICLE 3.

REDEMPTION AND PREPAYMENT

Section 3.01. Notices to Trustee.

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07, it shall furnish to the Trustee, at least two (2) Business Days (unless a shorter period shall be agreeable to the Trustee) before the date of giving notice of the redemption pursuant to Section 3.03, an Officers' Certificate setting forth (i) the clause of Section 3.07 pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed, (iv) the redemption price or the method by which it will be determined, and (v) whether the Company requests that the Trustee give notice of such redemption.

Section 3.02. Selection of Notes to Be Redeemed.

(a) If less than all of the Notes are to be redeemed at any time, the Trustee will select the Notes to be redeemed on a *pro rata* basis or, in the case of Global Notes, by such other method in accordance with the applicable procedures of the Depository from the outstanding Notes not previously called for redemption. In the event of partial redemption other than on a *pro rata* basis, the particular Notes to be redeemed shall be selected, not less than two (2) Business Days (unless a shorter period shall be agreeable to the Trustee) prior to the giving of

notice of the redemption pursuant to Section 3.03, by the Trustee from the outstanding Notes not previously called for redemption.

(b) The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. No Notes of \$2,000 or less can be redeemed in part. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder shall be redeemed. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03. Notice of Redemption.

(a) At least 15 days but not more than 60 days before a redemption date (except that redemption notices may be delivered or mailed more than 60 days prior to a redemption date if the notice is issued in connection with a Legal Defeasance, Covenant Defeasance or discharge), the Company shall deliver or cause to be delivered, by first class mail a notice of redemption to each Holder whose Notes are to be redeemed (with a copy to the Trustee) at its registered address (or to the extent permitted or required by applicable Depository procedures or regulations with respect to Notes in global form, sent electronically).

(b) The notice shall identify the Notes to be redeemed and shall state:

(1) the redemption date;

(2) the redemption price or, if the redemption price is not then determinable, the manner in which it is to be determined;

(3) if any Note is to be redeemed in part only, the portion of the principal amount of such Note that is to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in a principal amount equal to the unredeemed portion of the original Note will be issued in the name of the applicable Holder upon cancellation of the original Note;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption shall cease to accrue on and after the redemption date and the only remaining right of the Holders of such Notes is to receive payment of the redemption price upon surrender to the Paying Agent of the Notes redeemed;

(7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(8) the CUSIP (or ISIN) number, if any, and that no representation is made as to the correctness or accuracy of the CUSIP (or ISIN) number, if any, listed in such notice or printed on the Notes; and

(9) a description of any conditions to the Company's obligations to complete the redemption.

Any redemption and notice thereof may, in the Company's discretion, be subject to the satisfaction of one or more conditions precedent, including completion of an Equity Offering or other corporate transaction. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Company's discretion, the redemption or purchase date may be delayed until such time (including more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date or by the redemption date as so delayed, or such notice or offer may be rescinded at any time in the Company's discretion if the Company reasonably believes that any or all of such conditions will not be satisfied or waived.

(c) If any of the Notes to be redeemed is in the form of a Global Note, then the Company shall modify such notice to the extent necessary to accord with the procedures of the Depository applicable to redemption.

(d) At the Company's request, the Trustee shall give the notice of optional redemption in the Company's name and at its expense; *provided* that the Company shall have delivered to the Trustee, as provided in Section 3.01, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(b).

Section 3.04. Effect of Notice of Redemption.

Once notice of redemption is mailed in accordance with Section 3.03, Notes (or portions thereof) called for redemption become irrevocably due and payable on the applicable redemption date at the applicable redemption price, subject to the satisfaction of any conditions to the redemption specified in the notice of redemption. If delivered in the manner provided for in Section 3.03, the notice of redemption shall be conclusively presumed to have been given whether or not a Holder receives such notice. Failure to give timely notice or any defect in the notice shall not affect the validity of the redemption.

Section 3.05. Deposit of Redemption Price.

(a) Prior to 10:00 a.m., New York City time, on any redemption date, the Company shall deposit with the Paying Agent (or, if the Company or a Subsidiary thereof is acting as Paying Agent, segregate and hold in trust as provided in Section 2.04) money sufficient in same day funds to pay the redemption price of and accrued interest on all Notes to be redeemed on that date. The Paying Agent shall promptly return to the Company any money deposited with the

Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of and accrued interest on all Notes to be redeemed.

(b) If the Company complies with the provisions of Section 3.05(a), on and after the redemption date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption whether or not such Notes are presented for payment, and the only remaining right of the Holders of such Notes shall be to receive payment of the redemption price upon presentation and surrender to the Paying Agent of the Notes redeemed. If any Note called for redemption shall not be so paid upon presentation and surrender for redemption because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful, on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06. Notes Redeemed in Part.

Upon surrender of a Note that is redeemed in part, the Company shall issue in the name of the applicable Holder and the Trustee shall, upon its receipt of an Authentication Order from the Company, authenticate for such Holder at the expense of the Company a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

Section 3.07. Optional Redemption.

(a) The Notes are not subject to optional redemption except as provided in this Section 3.07.

(b) On or after March 1, 2024, the Company may on one or more occasions redeem the Notes, in whole or in part, upon not less than 15 or more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, to, but excluding, the date of redemption (subject to the right of Holders of record on the relevant record date to receive interest due on an Interest Payment Date that is on or prior to the date of redemption), if redeemed during the 12-month period beginning on March 1 of the years indicated below:

Year	Redemption Price
2024	103.375%
2025	102.250%
2026	101.125%
2027 and thereafter	100.000%

(c) Prior to March 1, 2024, the Company may, at any time or from time to time, redeem up to 35% of the aggregate principal amount of Notes originally issued (calculated after giving effect to any issuance of Additional Notes), upon not less than 15 or more than 60 days' notice, at a redemption price of 106.750% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the date of redemption (subject to the right of Holders of record on the relevant record date to receive interest due on an Interest Payment Date that is on or prior to the date of redemption), in an amount not greater than the Net Cash Proceeds of one or more Equity Offerings; *provided* that at least 65% of the aggregate principal amount of

Notes originally issued (calculated after giving effect to any issuance of Additional Notes) remains outstanding immediately after such redemption (excluding Notes held by the Company and its Subsidiaries) and that such redemption occurs within 180 days following the closing of any such Equity Offering.

(d) In addition, prior to March 1, 2024, the Company may, on any one or more occasions, redeem the Notes, in whole or in part, upon not less than 15 or more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on an Interest Payment Date that is on or prior to the date of redemption).

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.1 through 3.06.

Section 3.08. Offer to Purchase by Application of Excess Proceeds.

(a) In the event that, pursuant to Section 4.10, the Company shall be required to commence an Asset Sale Offer, it shall follow the additional procedures specified below.

(b) Within 30 days after the 365th day following the date of an Asset Sale, the Company shall, if it is obligated to make an Asset Sale Offer pursuant to Section 4.10, deliver a written Asset Sale Offer notice, by first-class mail, to the Holders of the Notes (or to the extent permitted or required by applicable Depositary procedures or regulations with respect to Notes in global form, sent electronically), with a copy to the Trustee (the "*Asset Sale Offer Notice*"), accompanied by such information regarding the Company and its Subsidiaries as the Company believes will enable such Holders of the Notes to make an informed decision with respect to the Asset Sale Offer. The Asset Sale Offer Notice will state, among other things:

- (1) that the Company is offering to purchase Notes pursuant to the provisions of this Indenture;
- (2) that any Note (or any portion thereof) accepted for payment (and duly paid on the Purchase Date) pursuant to the Asset Sale Offer shall cease to accrue interest on the Purchase Date;
- (3) that any Notes (or portions thereof) not validly tendered will continue to accrue interest;
- (4) the purchase price and purchase date, which shall be, subject to any contrary requirements of applicable law, no less than 30 days nor more than 60 days after the date the Asset Sale Offer Notice is mailed (the "*Purchase Date*");
- (5) the aggregate principal amount of Notes to be purchased;
- (6) a description of the procedure which Holders of Notes must follow in order to tender their Notes and the procedures that Holders of Notes must follow in order to withdraw an election to tender their Notes for payment; and

(7) all other instructions and materials necessary to enable Holders to tender Notes pursuant to the Asset Sale Offer.

(c) Not later than the date upon which the Asset Sale Offer Notice is delivered to the Trustee as provided in clause (b) of this Section 3.08, the Company shall deliver to the Trustee an Officers' Certificate as to (1) the amount of the Asset Sale Offer (the "*Asset Sale Offer Amount*"), (2) the allocation of the Net Available Cash from the Asset Sales pursuant to which such Asset Sale Offer is being made and (3) the compliance of such allocation with the provisions of Section 4.10(a). On such date, the Company shall also irrevocably deposit with the Trustee or with the Paying Agent (or, if the Company is the Paying Agent, shall segregate and hold in trust) in cash an amount equal to the Asset Sale Offer Amount to be held for payment in accordance with the provisions of this Section 3.08. Upon the expiration of the period for which the Asset Sale Offer remains open (the "*Asset Sale Offer Period*"), the Company shall deliver to the Trustee for cancellation the Notes or portions thereof which have been properly tendered to and are to be accepted by the Company. The Trustee or the Paying Agent shall, on the Purchase Date, mail or deliver payment to each tendering Holder in the amount of the purchase price. In the event that the aggregate purchase price of the Notes delivered by the Company to the Trustee is less than the Asset Sale Offer Amount, the Trustee or the Paying Agent shall deliver the excess to the Company immediately after the expiration of the Asset Sale Offer Period for application in accordance with this Section 3.08.

(d) Holders electing to have a Note purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Company or its agent at the address specified in the Asset Sale Offer Notice at least three (3) Business Days prior to the Purchase Date. Holders shall be entitled to withdraw their election if the Trustee or the Company receives, not later than one (1) Business Day prior to the Purchase Date, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes which were delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Notes purchased. If at the expiration of the Asset Sale Offer Period the aggregate principal amount of Notes surrendered by Holders exceeds the Asset Sale Offer Amount, the Company shall select the Notes to be purchased on a *pro rata* basis (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, shall be purchased). Holders whose Notes are purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered.

(e) At the time the Company delivers Notes to the Trustee which are to be accepted for purchase, the Company shall also deliver an Officers' Certificate stating that such Notes are to be accepted by the Company pursuant to and in accordance with the terms of Section 4.10. A Note shall be deemed to have been accepted for purchase at the time the Trustee or the Paying Agent mails or delivers payment therefor to the surrendering Holder.

Section 3.09. No Mandatory Sinking Fund.

Except as set forth under Sections 4.10 and 4.15, the Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes or to repurchase

the Notes at the option of the Holders. The Company may at any time and from time to time purchase Notes in the open market or otherwise.

ARTICLE 4.

COVENANTS

Section 4.01 Payment of Notes.

(a) The Company shall pay or cause to be paid the principal of, interest, premium, if any, on, the Notes on the dates and in the manner provided in the Notes. Principal, interest and premium, if any, shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m., New York City time, on the due date money deposited by the Company or a Subsidiary Guarantor in immediately available funds and designated for and sufficient to pay all principal, interest and premium, if any, then due. All payments made by the Company under or with respect to the Notes will be made free and clear of and without withholding or deduction for, or on account of, any taxes, unless the withholding or deduction of such taxes is then required by law.

(b) The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate equal to the then-applicable interest rate on the Notes; and it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any (without regard to any applicable grace period), at the same rate as on overdue principal to the extent lawful.

Section 4.02. Maintenance of Office or Agency.

(a) The Company shall maintain an office or agency (which may be an office of the Trustee, an affiliate of the Trustee, the Registrar or the Paying Agent) in New York, New York where Notes may be presented or surrendered for payment and shall maintain an office or agency in the United States (which may be an office of the Trustee, an affiliate of the Trustee, the Registrar or the Paying Agent) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

(b) The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided* that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in New York, New York for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03(a).

Section 4.03. Reports.

(a) Whether or not required by the Commission, so long as any Notes are outstanding, the Company will furnish to the Holders of Notes, within the time periods specified in the Commission's rules and regulations applicable, if the Company is subject to the reporting requirements of Section 13 or Section 15(d) of the Exchange Act, to a U.S. corporation that is an accelerated filer or if the Company is not subject to the reporting requirements of Section 13 or Section 15(d) of the Exchange Act, to a U.S. corporation that is a non-accelerated filer:

(1) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Company were required to file such Forms, including a section on "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by the Company's certified independent public accountants; and

(2) all current reports that would be required to be filed with the Commission on Form 8-K if the Company were required to file such reports.

(b) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries, then, to the extent material, the quarterly and annual financial information required by Section 4.03(a) will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in "Management's Discussion and Analysis of Financial Condition and Results of Operations," of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(c) The availability of the foregoing materials on the Commission's website or on the Company's website shall be deemed to satisfy the delivery obligations under clauses (a) and (b) of this Section 4.03.

(d) For so long as any of the Notes remain outstanding and constitute "restricted securities" under Rule 144, the Company will furnish to the Holders of the Notes and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(e) In the event that any direct or indirect parent company of the Company becomes a guarantor of the Notes, the Company may satisfy its obligations in this Section 4.03 with respect to financial information relating to the Company by furnishing financial information relating to such parent company for so long as such parent company is a guarantor of the Notes; provided that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Company and its Subsidiaries on a standalone basis, on the other hand.

Section 4.04. Certificates and Other Information.

The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year ending after the Issue Date, an Officers' Certificate stating that a review of the activities of the Company and the Restricted Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that, to the best of his or her knowledge, the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture applicable to the Company and is not in default in the performance or observance of any of the terms, provisions and conditions thereof (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto). In addition, so long as any Notes are outstanding, if any Default has occurred and is continuing under this Indenture, the Company shall within ten (10) days of the occurrence thereof deliver to the Trustee an Officers' Certificate specifying such Default and what action the Company is taking or proposed to take with respect thereto. Except with respect to receipt of payments of principal and interest on the Notes and any Default or Event of Default information contained in an Officers' Certificate delivered to it pursuant to this Section 4.04, the Trustee shall have no duty to review, ascertain or confirm the Company's compliance with or the breach of any representation, warranty or covenant made in this Indenture.

Section 4.05. Taxes.

The Company shall pay, and shall cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders.

Section 4.06. Stay, Extension and Usury Laws.

Each of the Company and the Subsidiary Guarantors covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and each of the Company and the Subsidiary Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07. Limitation on Restricted Payments.

- (a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly:
 - (i) declare or pay any dividend on, or make any other distribution to holders of, any shares of Capital Stock of the Company or any Restricted Subsidiary (other than dividends or distributions payable solely in shares of Qualified Capital Stock of the

Company or in options, warrants or other rights to purchase Qualified Capital Stock of the Company);

(ii) purchase, redeem or otherwise acquire or retire for value any Capital Stock of the Company or any direct or indirect parent or Subsidiary thereof (other than any Wholly Owned Restricted Subsidiary of the Company) or any options, warrants or other rights to acquire such Capital Stock (other than any such Equity Interests owned by the Company or any Restricted Subsidiary of the Company and other than the purchase, redemption, acquisition or retirement of any Disqualified Capital Stock of the Company solely in shares of Qualified Capital Stock of the Company);

(iii) make any principal payment on or repurchase, redeem, defease or otherwise acquire or retire for value, prior to any scheduled principal payment, scheduled sinking fund payment or maturity, any Subordinated Indebtedness (excluding any intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries), except in any case out of the net cash proceeds of Permitted Refinancing Indebtedness and except a payment of interest or principal at or within one year of the Stated Maturity thereof; or

(iv) make any Restricted Investment;

(such payments or other actions described in clauses (1) through (4) above being collectively referred to as “*Restricted Payments*”), unless at the time of and after giving effect to the proposed Restricted Payment:

(1) no Default or Event of Default shall have occurred and be continuing;

(2) the Company could incur \$1.00 of additional Indebtedness in accordance with the Consolidated Fixed Charge Coverage Ratio test set forth in Section 5.09(a); and

(3) the aggregate amount of all Restricted Payments declared or made after the Issue Date shall not exceed the sum (without duplication) of the following:

(A) 50% of the Consolidated Net Income of the Company accrued on a cumulative basis during the period beginning on January 1, 2021 and ending on the last day of the Company’s last fiscal quarter ending prior to the date of such proposed Restricted Payment (or, if such Consolidated Net Income is a loss, minus 100% of such loss); *plus*

(B) the aggregate Net Cash Proceeds, or the Fair Market Value of assets and property other than cash received after the Issue Date by the Company from the issuance or sale (other than to any of its Restricted Subsidiaries) of shares of Qualified Capital Stock of the Company or any options, warrants or rights to purchase such shares of Qualified Capital Stock of the Company; *plus*

(C) the aggregate Net Cash Proceeds, or the Fair Market Value of assets and property other than cash received after the Issue Date by the Company (other than from any of its Restricted Subsidiaries) upon the exercise of any

options, warrants or rights to purchase shares of Qualified Capital Stock of the Company; *plus*

(D) the aggregate Net Cash Proceeds received after the Issue Date by the Company from the issuance or sale (other than to any of its Restricted Subsidiaries) of Indebtedness or shares of Disqualified Capital Stock that have been converted into or exchanged for Qualified Capital Stock of the Company, together with the aggregate cash received by the Company at the time of such conversion or exchange; *plus*

(E) to the extent not otherwise included in Consolidated Net Income, the net reduction in Investments in Unrestricted Subsidiaries resulting from dividends, repayments of loans or advances, or other transfers of assets, in each case to the Company or a Restricted Subsidiary after the Issue Date from any Unrestricted Subsidiary or from the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary (valued in each case as provided in the definition of “Investment”), not to exceed in the case of any Unrestricted Subsidiary the total amount of Investments (other than Permitted Investments) in such Unrestricted Subsidiary made by the Company and its Restricted Subsidiaries in such Unrestricted Subsidiary after the Issue Date.

(b) Section 4.07(a) will not prohibit:

(1) the payment of any dividend or the consummation of any redemption within 60 days after the date of declaration or giving of redemption notice, as the case may be, thereof, if at said date of declaration or notice such payment would have complied with Section 4.07(a) (and such payment shall be deemed to have been paid on the date of payment for purposes of any calculation required by Section 4.07(a));

(2) the payment of any dividend or distribution by a Restricted Subsidiary to the holders of its Equity Interests on a pro rata basis;

(3) any Restricted Payment made in exchange for, or out of the Net Cash Proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company) of, Equity Interests of the Company (other than Disqualified Capital Stock), with any such payment being deemed to be “substantially concurrent” if made within 180 days of the sale of the Equity Interests in question; provided that the amount of any such Net Cash Proceeds that are utilized for any such redemption, repurchase, retirement, defeasance or other acquisition shall be excluded from Section 4.07(a)(3)(B);

(4) the defeasance, redemption, repurchase, retirement or other acquisition of any Subordinated Indebtedness of the Company or any Subsidiary Guarantor with the Net Cash Proceeds from an incurrence of any Permitted Refinancing Indebtedness permitted to be incurred under Section 4.09;

(5) the repurchase, redemption or other acquisition or retirement for value of any Equity Interests of the Company or any Restricted Subsidiary of the Company held by any employees, former employees, directors or former directors of the Company or

any of its Restricted Subsidiaries (or heirs, estates or other permitted transferees of such employees or directors) pursuant to any agreements (including employment agreements), management equity subscription agreements or stock option agreements or plans (or amendments thereto), approved by the Board of Directors of the Company, under which such individuals purchase or sell or are granted the right to purchase or sell shares of Capital Stock; provided that the aggregate price paid for all such repurchased, redeemed, acquired or retired Equity Interests shall not exceed \$10,000,000 in any calendar year, with unused amounts in any calendar year being permitted to be carried over to succeeding calendar years subject to a maximum of \$20,000,000 in any calendar year;

(6) loans made to officers, directors or employees made in the ordinary course of business of the Company or any Restricted Subsidiary not to exceed \$5,000,000 outstanding at any one time;

(7) the repurchase of Equity Interests deemed to occur upon the exercise of stock or other equity options to the extent such Equity Interests represent a portion of the exercise price of those stock or other equity options and any repurchase or other acquisition of Equity Interests is made in lieu of or to satisfy withholding taxes in connection with any exercise or exchange of stock options, warrants, incentives or other rights to acquire Equity Interests;

(8) upon the occurrence of a Change of Control or an Asset Sale and within 60 days after the completion of the offer to repurchase the Notes under Sections 4.15 or 4.10 (including the purchase of all Notes tendered and required to be purchased), any purchase, repurchase, redemption, defeasance, acquisition or other retirement for value of Subordinated Indebtedness required under the terms thereof as a result of such Change of Control or Asset Sale at a purchase or redemption price not to exceed 101% of the outstanding principal amount thereof, plus accrued and unpaid interest thereon, if any; provided that, in the notice to Holders relating to a Change of Control or Asset Sale hereunder, the Company shall describe this clause (8);

(9) the purchase by the Company of fractional shares arising out of stock dividends, splits or business combinations or conversion of convertible or exchangeable securities of debt or equity issued by the Company;

(10) payments to dissenting stockholders (x) pursuant to applicable law or (y) in connection with the settlement or other satisfaction of legal claims made pursuant to or in connection with a consolidation, merger or transfer of assets in connection with a transaction that is not prohibited by this Indenture;

(11) dividends on Disqualified Capital Stock of the Company or preferred stock of any Restricted Subsidiary if such dividends are included in the calculation of Consolidated Interest Expense; or

(12) other Restricted Payments in an aggregate amount not to exceed \$400,000,000.

(c) The actions described in Section 4.07(b)(1) shall be a Restricted Payment that shall be permitted to be made in accordance with Section 4.07(b), but shall reduce the amount that would otherwise be available for Restricted Payments under Section 4.07(a)(3) (*provided* that any dividend paid pursuant to Section 4.07(b)(1) shall reduce the amount that would otherwise be available under Section 4.07(a)(3) when declared, but not also when subsequently paid pursuant to Section 4.07(b)(1)).

(d) The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. For purposes of determining compliance with this Section 4.07, if a Restricted Payment meets the criteria of more than one of the types of Restricted Payments described in Section 4.07(b)(1) through (12) or pursuant to Section 4.07(a), the Company, in its sole discretion, may order and classify, and subsequently reorder and reclassify, such Restricted Payment in any manner in compliance with this Section 4.07.

Section 4.08. Limitation on Dividends and Other Payment Restrictions Affecting Restricted Subsidiaries.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create or suffer to exist or allow to become effective any consensual encumbrance or restriction of any kind on the ability of any Restricted Subsidiary:

(1) to pay dividends, in cash or otherwise, or make any other distributions on its Capital Stock, or make payments on any Indebtedness owed, to the Company or any other Restricted Subsidiary; *provided* that the priority that any series of Preferred Stock of a Restricted Subsidiary has in receiving dividends or liquidating distributions before dividends or liquidating distributions are paid in respect of common stock of such Restricted Subsidiary shall not constitute a restriction on the ability to make dividends or distributions on Capital Stock for purposes of this Section 4.08;

(2) to make loans or advances to the Company or any other Restricted Subsidiary (it being understood that the subordination of loans or advances made to the Company or any of its Restricted Subsidiaries to other Indebtedness incurred by the Company or any of its Restricted Subsidiaries shall not be deemed a restriction on the ability to make loans or advances); or

(3) to transfer any of its property or assets to the Company or any other Restricted Subsidiary

(b) However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

(1) agreements existing on the Issue Date, including the Bank Credit Agreement as in effect on the Issue Date and this Indenture, the Notes and the Subsidiary Guarantees;

- (2) any instrument governing Indebtedness of a Person acquired by the Company or any Restricted Subsidiary at the time of such acquisition, which encumbrance or restriction is not applicable to any other Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that such Indebtedness was not incurred in contemplation of such acquisition;
- (3) any agreement for the sale or other disposition of Capital Stock or assets of a Restricted Subsidiary that restricts distributions by such Restricted Subsidiary (limited to restrictions on distributions of such assets in the case of assets (other than Capital Stock) being sold) pending such sale or other disposition;
- (4) any amendment, restatement, modification, supplement, extension, renewal, refunding, replacement or refinancing of Indebtedness referred to in Section 4.08(b)(1) or (2), *provided* that the encumbrances or restrictions contained in the agreements governing the foregoing are not materially more restrictive, taken as a whole, than those contained in the agreements governing such Indebtedness as in effect prior to such amendment, restatement, modification, supplement, extension, renewal, refunding, replacement or refinancing as determined in good faith by the Company;
- (5) this Indenture, the Notes and the related Subsidiary Guarantees;
- (6) cash or other deposits, or net worth requirements or similar requirements, imposed by suppliers, or other deposits by parties under agreements entered into in the ordinary course of the Oil and Gas Business of the types described in the definition of “Permitted Business Investments”;
- (7) any applicable law, rule, regulation, order, approval, license, permit or similar restriction;
- (8) provisions limiting the disposition or distribution of assets or property or transfer of Capital Stock in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements, and other similar agreements entered into in the ordinary course of business, consistent with past practice or with the approval of the Company’s Board of Directors or any of its officers, which limitation is applicable only to the assets, property or Capital Stock that are the subject of such agreements;
- (9) any encumbrance or restriction contained in the terms of any Indebtedness permitted to be incurred under this Indenture or if such encumbrances or restrictions are not materially more restrictive, taken as a whole, with respect to any Restricted Subsidiary than those in effect on the Issue Date with respect to that Restricted Subsidiary pursuant to agreements in effect on the Issue Date or those contained in this Indenture or the Bank Credit Agreement, in each case as determined in good faith by the Board of Directors or an Officer of the Company;
- (10) encumbrances or restrictions applicable only to a Restricted Subsidiary that is not a Domestic Subsidiary;

(11) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of the Company or any Restricted Subsidiary, or customary restrictions in licenses relating to the property covered thereby and entered into in the ordinary course of business;

(12) any encumbrance or restriction with respect to an Unrestricted Subsidiary pursuant to or by reason of an agreement that the Unrestricted Subsidiary is a party to or entered into before the date on which such Unrestricted Subsidiary became a Restricted Subsidiary; *provided* that such agreement was not entered into in anticipation of the Unrestricted Subsidiary becoming a Restricted Subsidiary and any such encumbrance or restriction does not extend to any assets or property of the Company or any other Restricted Subsidiary other than the assets and property of such Unrestricted Subsidiary; and

(13) with respect to Section 4.08(a)(3), any of the following encumbrances or restrictions:

(i) purchase money obligations for property acquired in the ordinary course of business or otherwise permitted under this Indenture that impose restrictions on the property so acquired;

(ii) restrictions contained in asset sale agreements limiting the transfer of such assets pending the closing of such sale; and

(iii) agreements governing hedging obligations entered into in the ordinary course of business.

Section 4.09. Limitation on Indebtedness and Disqualified Capital Stock.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, create, incur, issue, assume, guarantee or in any manner become directly or indirectly liable for the payment of (collectively, “*incur*” and “*incurrence*,” “*incurred*” and “*incurring*” shall have meanings correlative to the foregoing) any Indebtedness (including any Acquired Indebtedness), and the Company will not, and will not permit any of its Restricted Subsidiaries to, issue any Disqualified Capital Stock (except for the issuance by the Company of Disqualified Capital Stock (x) which is redeemable at the Company’s option in cash or Qualified Capital Stock and (y) the dividends on which are payable at the Company’s option in cash or Qualified Capital Stock); *provided* that the Company and its Restricted Subsidiaries that are Subsidiary Guarantors may incur Indebtedness (including any Acquired Indebtedness) or issue shares of Disqualified Capital Stock if (i) at the time of such event and after giving effect thereto on a pro forma basis the Consolidated Fixed Charge Coverage Ratio for the four full quarters immediately preceding such event, taken as one period, would have been equal to or greater than 2.25 to 1.00 and (ii) no Default or Event of Default shall have occurred and be continuing at the time such additional Indebtedness is incurred or such Disqualified Capital Stock is issued or would occur as a consequence of the incurrence of the additional Indebtedness or the issuance of the Disqualified Capital Stock.

(b) The restrictions in Section 4.09(a) will not prohibit the incurrence of any of the following items of Indebtedness (collectively, “*Permitted Indebtedness*”):

(1) the incurrence by the Company and any Subsidiary Guarantor of Indebtedness (including letters of credit) under one or more Credit Facilities in an aggregate principal amount at any one time outstanding under this clause (1) (with letters of credit being deemed to have a principal amount equal to the maximum potential liability of the Company and the Subsidiary Guarantors thereunder) not to exceed the greatest of (i) \$1,400,000,000, (ii) the sum of (x) \$150,000,000 *plus* (y) 30% of Adjusted Consolidated Net Tangible Assets and (iii) the Borrowing Base as in effect as of the date of such incurrence;

(2) Indebtedness under the Notes issued on the Issue Date (including the related Subsidiary Guarantees);

(3) Indebtedness outstanding or in effect on the Issue Date other than Indebtedness described in Section 4.09(b)(1) or (2);

(4) obligations pursuant to Interest Rate Protection Obligations and obligations under currency exchange contracts, in each case entered into in the ordinary course of business; and hedging arrangements entered into in the ordinary course of business for the purpose of protecting production, purchases and resales against fluctuations in oil or natural gas prices, and any guarantee of any of the foregoing;

(5) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness represented by Capitalized Lease Obligations, mortgage financings or purchase money obligations, in each case, to finance the acquisition, lease, construction, installation, repair, replacement or improvement of property (real or personal) or equipment (whether through the direct purchase of assets or the Capital Stock of any Person owning such assets) used in the business of the Company or any of its Restricted Subsidiaries, in an aggregate principal amount at any time outstanding not to exceed the greater of (a) \$100,000,000 and (b) 3.5% of Adjusted Consolidated Net Tangible Assets determined as of the date of such incurrence (taken together with any outstanding Permitted Refinancing Indebtedness incurred with respect to Indebtedness incurred under this clause (5));

(6) the incurrence by the Company or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries; *provided, however*, that:

(A) if the Company is the obligor on such Indebtedness and a Subsidiary Guarantor is not the obligee, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations with respect to the Notes, or if a Subsidiary Guarantor is the obligor on such Indebtedness and neither the Company nor another Subsidiary Guarantor is the obligee, such Indebtedness must be expressly subordinated to the prior payment in full in cash

of all Obligations with respect to the Subsidiary Guarantee of such Subsidiary Guarantor; and

(B) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary of the Company and (ii) any sale or other transfer of any such Indebtedness to a Person that is neither the Company nor a Restricted Subsidiary of the Company will be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (6);

(7) Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge, in whole or in part, any Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be incurred under the first paragraph of this covenant or clause (2), (3), (5), (13) or (15) of this Section 4.09(b) or this clause (7);

(8) Non-Recourse Indebtedness;

(9) in-kind obligations relating to net oil or gas balancing positions arising in the ordinary course of business;

(10) Indebtedness in respect of bid, performance or surety bonds issued for the account of the Company or any Restricted Subsidiary in the ordinary course of business, including guaranties and letters of credit supporting such bid, performance or surety obligations (in each case other than for an obligation for money borrowed);

(11) any obligation arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, guarantee, adjustment of purchase price, holdback, contingency payment obligation based on the performance of the acquired or disposed asset or similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business, asset or Capital Stock;

(12) any obligation arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; provided, however, that such Indebtedness is extinguished within five Business Days of incurrence;

(13) the incurrence by the Company or any of its Restricted Subsidiaries of Permitted Acquisition Indebtedness;

(14) Indebtedness incurred on behalf of, or representing guarantees of Indebtedness of, Persons other than the Company or any Restricted Subsidiaries in which the Company or a Restricted Subsidiary has an Investment; *provided, however*, that the aggregate principal amount of Indebtedness incurred under this clause (14), when aggregated with the principal amount of all other Indebtedness then outstanding and incurred pursuant to this clause (14), does not exceed the greater of (i) \$100,000,000 and

(ii) 3.5% of Adjusted Consolidated Net Tangible Assets determined as of the date of such incurrence or issuance; and

(15) any additional Indebtedness in an aggregate principal amount, not to exceed, at any one time outstanding, the greater of (i) \$100,000,000 and (ii) 3.5% of Adjusted Consolidated Net Tangible Assets determined as of the date of such incurrence or issuance (taken together with any outstanding Permitted Refinancing Indebtedness incurred with respect to Indebtedness incurred under this clause (15)).

(c) For purposes of determining compliance with this Section 4.09, in the event that an item of Indebtedness meets the criteria of one or more of the categories of Permitted Indebtedness described in Section 4.09(b)(1) through (15) or is entitled to be incurred pursuant to Section 4.09(a), the Company may, in its sole discretion, classify such item of Indebtedness in any manner that complies with this Section 4.09 and such item of Indebtedness will be treated as having been incurred pursuant to only one of such clauses of the definition of “Permitted Indebtedness” or Section 4.09(a) and an item of Indebtedness may be divided and classified in more than one of the types of Indebtedness permitted hereunder; provided that all Indebtedness outstanding on the Issue Date under the Bank Credit Agreement shall be deemed incurred under Section 4.09(b)(1) and not under Section 4.09(a) or Section 4.09(b)(3).

(d) The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on Disqualified Capital Stock in the form of additional shares of the same class of Disqualified Capital Stock will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Capital Stock for purposes of this covenant. The amount of any Indebtedness outstanding as of any date shall be (i) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (ii) the principal amount or liquidation preference thereof, together with any interest thereon that is more than 30 days past due, in the case of any other Indebtedness.

(e) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced (plus all accrued interest on the Indebtedness being refinanced and the amount of all expenses and premiums incurred in connection therewith).

(f) Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in the exchange

rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Permitted Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

Section 4.10. Limitation on Asset Sales.

(a) The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale unless (i) the Company or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the assets and property subject to such Asset Sale and (ii) at least 75% of the consideration paid to the Company or such Restricted Subsidiary in connection with such Asset Sale and all other Asset Sales since the 2018 Notes Issue Date, on a cumulative basis, is in the form of cash, Cash Equivalents, Liquid Securities, Exchanged Properties, Drilling Expense Commitments or the assumption by the purchaser of liabilities of the Company (other than liabilities of the Company that are by their terms subordinated to the Notes) or liabilities of any Subsidiary Guarantor that made such Asset Sale (other than liabilities of a Subsidiary Guarantor that are by their terms subordinated to such Subsidiary Guarantor's Subsidiary Guarantee), in each case as a result of which the Company and its remaining Restricted Subsidiaries are no longer liable for such liabilities, or any combination of the foregoing ("*Permitted Consideration*"); *provided* that the Company and its Restricted Subsidiaries shall be permitted to receive assets and property other than Permitted Consideration, so long as the aggregate Fair Market Value of all such assets and property other than Permitted Consideration received from Asset Sales since the 2018 Notes Issue Date and held by the Company or any Restricted Subsidiary at any one time shall not exceed 10% of Adjusted Consolidated Net Tangible Assets.

(b) The Net Available Cash from Asset Sales by the Company or a Restricted Subsidiary may be applied by the Company or such Restricted Subsidiary, to the extent the Company or such Restricted Subsidiary elects (or is required by the terms of any Senior Indebtedness of the Company or a Restricted Subsidiary), to:

- (1) to repay, prepay, purchase, redeem, acquire or otherwise reduce any Senior Indebtedness of the Company or a Restricted Subsidiary; or
- (2) reinvest in Additional Assets (including by means of an Investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary).

(c) Any Net Available Cash from an Asset Sale not applied in accordance with Section 4.10(b) within 365 days from the date of such Asset Sale shall constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$50,000,000, the Company will be required to make an offer (an "*Asset Sale Offer*") to all Holders of Notes in accordance with Section 3.08 and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds.

The offer price in any Asset Sale Offer will be equal to 100% of principal amount *plus* accrued and unpaid interest, if any, to, but excluding, the Purchase Date (subject to the right of Holders of record on the relevant record date to receive interest due on an Interest Payment Date that is on or prior to the Purchase Date), and will be payable in cash. If the aggregate principal amount of Notes tendered by Holders thereof exceeds the amount of available Excess Proceeds allocated for repurchases of Notes pursuant to an Asset Sale Offer, then such Excess Proceeds will be allocated pro rata according to the principal amount of the Notes tendered and the Trustee will select the Notes to be purchased in accordance with this Indenture. To the extent that any portion of the amount of Excess Proceeds remains after compliance with the second sentence of this clause (c) and *provided* that all Holders of Notes have been given the opportunity to tender their Notes for purchase as described in Section 3.08, the Company and its Restricted Subsidiaries may use such remaining amount for purposes permitted by this Indenture and the amount of Excess Proceeds will be reset to zero.

(d) The Company will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws or regulations thereunder to the extent such laws and regulations are applicable in connection with the purchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions relating to the Asset Sale Offer, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.10 by virtue thereof.

Section 4.11 Limitation on Transactions with Affiliates.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into or suffer to exist any transaction or series of related transactions (including, without limitation, the sale, purchase, exchange or lease of assets or property or the rendering of any services) with, or for the benefit of, any Affiliate of the Company (each, an “*Affiliate Transaction*”) involving aggregate consideration to or from the Company or a Restricted Subsidiary in excess of \$10,000,000, unless:

(1) such transaction or series of related transactions is on terms that are no less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that would be available in a comparable arm’s-length transaction with unrelated third parties or, if in the good faith judgment of the Company, no comparable transaction is available with which to compare such Affiliate Transaction, such Affiliate Transaction is otherwise fair to the Company or such Restricted Subsidiary from a financial point of view; and

(2) the Company delivers to the Trustee:

(I) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25,000,000 but no greater than \$50,000,000, an Officers’ Certificate certifying that such Affiliate Transaction or series of Affiliate Transactions complies with this covenant; and

(II) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$50,000,000, an Officers' Certificate certifying that such Affiliate Transaction or series of Affiliate Transactions complies with this Section 4.11 and that such Affiliate Transaction or series of Affiliate Transactions has been approved by a majority of the Disinterested Directors of the Company, if any, (or, if there is only one Disinterested Director, such Disinterested Director).

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a):

- (1) loans or advances to officers, directors and employees of the Company or any Restricted Subsidiary made in the ordinary course of business in an aggregate amount not to exceed \$5,000,000 outstanding at any one time;
- (2) indemnities of officers, directors, employees and other agents of the Company or any Restricted Subsidiary permitted by corporate charter or other organizational document, bylaw or statutory provisions;
- (3) the payment of reasonable and customary fees to directors of the Company or any of its Restricted Subsidiaries who are not employees of the Company or any Affiliate;
- (4) the Company's employee compensation and other benefit arrangements;
- (5) transactions exclusively between or among the Company and any of the Restricted Subsidiaries or exclusively between or among such Restricted Subsidiaries, *provided* such transactions are not otherwise prohibited by this Indenture;
- (6) any Restricted Payment permitted to be paid pursuant to Section 4.07;
- (7) any transactions undertaken pursuant to any contracts in existence on the Issue Date (as in effect on the Issue Date) and any renewals, replacements or modifications of such contracts (pursuant to new transactions or otherwise) on terms no less favorable to the Holders of the Notes than those in effect on the Issue Date;
- (8) in the case of contracts for drilling, storing, gathering, processing, treating, transporting or disposing of hydrocarbons or services reasonably related thereto or other operation-type contracts, any such contracts that are entered into in the ordinary course of business (x) which are fair to the Company and its Restricted Subsidiaries, in the good faith determination of the Board of Directors of the Company or the senior management thereof or (y) which are on terms substantially similar to those contained in similar contracts entered into by the Company or any Restricted Subsidiary and third parties or, if neither the Company nor any Restricted Subsidiary has entered into a similar contract with a third party, that the terms are on the whole not materially less favorable than those that would be reasonably expected to be available from third parties on an arm's-length basis, as determined in good faith by the Company;

- (9) transactions with a Person (other than an Unrestricted Subsidiary) that is an Affiliate of the Company solely because the Company owns, directly or through a Subsidiary, an Equity Interest in, or controls, such Person;
- (10) any sale or other issuance of Equity Interests (other than Disqualified Capital Stock) of the Company to, or receipt of a capital contribution from, an Affiliate (or a Person that becomes an Affiliate) of the Company;
- (11) any transaction in which the Company or any of its Restricted Subsidiaries, as the case may be, deliver to the Trustee a letter from an accounting, appraisal or investment banking firm of national standing stating that such transaction meets the requirements of Section 4.11(a)(1);
- (12) any transaction between the Company or any Restricted Subsidiary on the one hand and any Person deemed to be an Affiliate solely because a director of such Person is also a director of the Company or a Restricted Subsidiary, on the other hand; provided that such director abstains from voting as a director of the Company or the Restricted Subsidiary, as applicable, in connection with the approval of the transaction; and
- (13) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of the business of the Company and its Restricted Subsidiaries and otherwise in compliance with this Indenture; *provided* that such transactions are on terms substantially similar to those obtained by the Company or any Restricted Subsidiary in similar transactions with third parties or, if neither the Company nor any Restricted Subsidiary has entered into a similar transaction with a third party, that are on the whole not materially less favorable than those that would be reasonably expected to be available from third parties on an arm's-length basis, as determined in good faith by the Company.

Section 4.12. Limitation on Liens.

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume, affirm or suffer to exist or become effective any Lien on any property or asset now owned or hereafter acquired, except Permitted Liens, to secure (a) any Indebtedness of the Company unless prior to, or contemporaneously therewith, the Notes are equally and ratably secured for so long as such other Indebtedness is so secured, or (b) any Indebtedness of any Subsidiary Guarantor, unless prior to, or contemporaneously therewith, the Subsidiary Guarantee of such Subsidiary Guarantor is equally and ratably secured for so long as such other Indebtedness is so secured; *provided, however*, that if such Indebtedness is expressly subordinated to the Notes or a Subsidiary Guarantee, the Lien securing such Indebtedness will be subordinated and junior to the Lien securing the Notes or such Subsidiary Guarantee, as the case may be, with the same relative priority as such Indebtedness has with respect to the Notes or such Subsidiary Guarantee.

Section 4.13. Future Subsidiary Guarantees.

If any Restricted Subsidiary that is not already a Subsidiary Guarantor guarantees any Indebtedness for borrowed money of the Company or a Subsidiary Guarantor, including under a Credit Facility, then such Restricted Subsidiary will become a Subsidiary Guarantor by executing a supplemental indenture in the form attached hereto as Exhibit D and delivering it to the Trustee within 20 Business Days of the date on which it incurred or guaranteed such Indebtedness; *provided* that the foregoing shall not apply to Subsidiaries of the Company that have properly been designated as Unrestricted Subsidiaries in accordance with this Indenture for so long as they continue to constitute Unrestricted Subsidiaries.

Section 4.14. Existence.

Subject to Article 5, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its existence.

Section 4.15. Offer to Repurchase Upon Change of Control Triggering Event.

(a) Upon the occurrence of a Change of Control Triggering Event, the Company shall be obligated to make an offer to purchase all of the then outstanding Notes (a “*Change of Control Offer*”), and shall purchase, on a Business Day (the “*Change of Control Purchase Date*”) not more than 60 nor less than 30 days following such Change of Control Triggering Event, all of the then outstanding Notes validly tendered pursuant to such Change of Control Offer, at a purchase price (the “*Change of Control Purchase Price*”) equal to 101% of the principal amount thereof plus accrued and unpaid interest to, but excluding, the Change of Control Purchase Date (subject to the right of Holders of record on the relevant record date to receive interest due on an Interest Payment Date that is on or prior to the Change of Control Purchase Date). The Change of Control Offer is required to remain open for at least 20 Business Days and until the close of business on the fifth Business Day prior to the Change of Control Purchase Date.

(b) In order to effect a Change of Control Offer, the Company shall, not later than the 30th day after the occurrence of a Change of Control, deliver to the Trustee and each Holder a notice of the Change of Control Offer, which notice shall govern the terms of the Change of Control Offer, describe the transaction or transactions that constitute the Change of Control and state:

- (1) that the Change of Control Offer is being made pursuant to this Section 4.15 and that all Notes properly tendered and not withdrawn pursuant to the Change of Control Offer will be accepted for payment;
- (2) the Change of Control Purchase Price and the Change of Control Purchase Date, which will be a Business Day no earlier than 30 days and no later than 60 days from the date such notice is mailed;
- (3) that any Note not properly tendered will continue to accrue interest;

(4) that, unless the Company defaults in the payment of the Change of Control Purchase Price, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on and after the Change of Control Purchase Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, properly endorsed for transfer, together with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Notes completed and such customary documents as the Company may reasonably request, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Purchase Date;

(6) that Holders will be entitled to withdraw their election if the Paying Agent receives, prior to the close of business on third Business Day preceding the Change of Control Purchase Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing its election to have the Notes purchased; and

(7) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

(c) On or before the Change of Control Purchase Date, the Company will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Purchase Price in respect of all Notes or portions of Notes properly tendered in the Change of Control Offer and not withdrawn; and

(3) deliver or cause to be delivered to the Trustee and the Paying Agent the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company pursuant to the Change of Control Offer.

(d) The Paying Agent will promptly deliver to each Holder of Notes validly tendered in the Change of Control Offer and not withdrawn the Change of Control Purchase Price for such Notes (or if all Notes are then in global form, make such payment through the facilities of the Depository), and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Company will publicly announce the results of a Change of Control Offer on or as soon as practicable after the Change of Control Purchase Date.

(e) The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under the Change of Control Offer, (2) notice of redemption has been given pursuant to Section 3.03 unless and until there is a default in payment of the applicable redemption price or (3) in connection with any publicly announced Change of Control, the Company has made an offer to purchase (an “Alternate Offer”) any and all Notes validly tendered at a cash price equal to or higher than the Change of Control Purchase Price and has purchased all Notes properly tendered in accordance with the terms of the Alternate Offer.

(f) Notwithstanding anything to the contrary contained herein, a Change of Control Offer or Alternate Offer may be made in advance of a Change of Control Triggering Event, conditioned upon the consummation of such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer or Alternate Offer is made.

(g) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer or Alternate Offer and the Company, or any third party making a Change of Control Offer or Alternate Offer in lieu of the Company as described in this Section 4.15, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company will have the right, upon not less than 30 nor more than 60 days’ prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer or Alternate Offer described in this Section 4.15, to redeem all Notes that remain outstanding following such purchase at a redemption price in cash equal to the applicable Change of Control Purchase Price or Alternate Offer price, as applicable, *plus*, to the extent not included in the Change of Control Purchase Price, accrued and unpaid interest, if any, to, but excluding, the date of redemption.

(h) The Company will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws or regulations thereunder to the extent such laws and regulations are applicable in the event that a Change of Control Triggering Event occurs and the Company is required to purchase Notes as described in this Section 4.15. To the extent that the provisions of any securities laws or regulations conflict with this Section 4.15, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations described in this Section 4.15 by virtue thereof.

Section 4.16. Future Designation of Restricted and Unrestricted Subsidiaries.

(a) The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if:

(1) the Company would be permitted to make (i) a Permitted Investment or (ii) an Investment pursuant to Section 4.07, in either case, in an amount equal to the Fair Market Value of all outstanding Investments owned by the Company and the Restricted Subsidiaries in such Subsidiary at the time of such designation;

(2) such Restricted Subsidiary meets the definition of an “Unrestricted Subsidiary”;

(3) the designation would not constitute or cause (with or without the passage of time) a Default or Event of Default and no Default or Event of Default would be in existence following such designation; and

(4) the Company delivers to the Trustee a certified copy of a resolution of the Board of Directors of the Company giving effect to such designation and an Officers’ Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 4.07.

(b) If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and the Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 or under one or more clauses of the definition of “Permitted Investments,” as determined by the Company.

(c) If, at any time, any Unrestricted Subsidiary designated as such would fail to meet the preceding requirements as an Unrestricted Subsidiary, then such Subsidiary will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary as of such date and, if such Indebtedness is not permitted to be incurred as of such date under the covenant set forth under Section 4.09, the Company or the applicable Restricted Subsidiary will be in default of such covenant.

(d) The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary if:

(1) the Company and the Restricted Subsidiaries could incur the Indebtedness which is deemed to be incurred upon such designation under Section 4.09, equal to the total Indebtedness of such Subsidiary calculated on a pro forma basis as if such designation had occurred on the first day of the four-quarter reference period;

(2) the designation would not constitute or cause a Default or Event of Default; and

(3) the Company delivers to the Trustee a certified copy of a resolution of the Board of Directors of the Company giving effect to such designation and an Officers’ Certificate certifying that such designation complied with the preceding conditions, including the incurrence of Indebtedness under Section 4.09.

Section 4.17. Covenant Termination.

From and after the occurrence of an Investment Grade Rating Event and upon the delivery by the Company to the Trustee of an Officers’ Certificate to the foregoing effect (the “*Termination Date*”), the Company and its Restricted Subsidiaries will no longer be subject to

the provisions of this Indenture set forth in Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.18 and Clause (3) of Section 5.01(a).

After the foregoing provisions have been terminated, the Company may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to this Indenture.

The Trustee shall not have any obligation to monitor the ratings of the Securities or the occurrence or date of the Termination Date and may rely conclusively on the Officers' Certificate referred to in this Section 4.17. The Trustee shall not have any obligation to notify the Holders of the Securities of the occurrence or date of the Termination Date, but may provide a copy of such Officers' Certificate to any Holder of the Securities upon request.

Section 4.18. Limitation on Issuances and Sales of Preferred Stock of Restricted Subsidiaries.

The Company (1) will not permit any Restricted Subsidiary to issue or sell any Preferred Stock to any Person other than the Company or one of its Wholly Owned Restricted Subsidiaries and (2) will not permit any Person other than the Company or one of its Wholly Owned Restricted Subsidiaries to own any Preferred Stock of any Restricted Subsidiary, except, in each case, for (a) the Preferred Stock of a Restricted Subsidiary owned by a Person at the time such Restricted Subsidiary became a Restricted Subsidiary, or (b) a sale of Preferred Stock in connection with the sale of all the Capital Stock of a Restricted Subsidiary owned by the Company or its Subsidiaries effected in accordance with Section 4.10.

ARTICLE 5.

SUCCESSORS

Section 5.01. Merger, Consolidation and Sale of Assets.

(a) The Company will not, in any single transaction or series of related transactions, merge or consolidate with or into any other Person, or sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of the properties and assets of the Company and its Restricted Subsidiaries on a consolidated basis to any Person or group of Affiliated Persons, and the Company will not permit any of its Restricted Subsidiaries to enter into any such transaction or series of related transactions if such transaction or series of transactions, in the aggregate, would result in the sale, assignment, conveyance, transfer, lease or other disposition of all or substantially all of the properties and assets of the Company and its Restricted Subsidiaries on a consolidated basis to any other Person or group of Affiliated Persons, unless at the time and after giving effect thereto:

(1) either (i) if the transaction is a merger or consolidation, the Company shall be the surviving Person of such merger or consolidation, or (ii) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or to which the properties and assets of the Company or its Restricted Subsidiaries, as the case may be, are sold, assigned, conveyed, transferred, leased or otherwise disposed of (any such surviving Person or transferee Person being the "*Surviving Entity*") shall be a corporation organized and existing under the laws of the United States of America, any state thereof or the District of Columbia and shall, in either case, expressly assume by a

supplemental indenture to this Indenture executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of the Company under the Notes and this Indenture and, in each case, this Indenture shall remain in full force and effect;

(2) immediately after giving effect to such transaction or series of related transactions on a pro forma basis (and treating any Indebtedness not previously an obligation of the Company or any of its Restricted Subsidiaries which becomes an obligation of the Company or any of its Restricted Subsidiaries in connection with or as a result of such transaction as having been incurred at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(3) except in the case of the consolidation or merger of any Restricted Subsidiary with or into the Company or another Restricted Subsidiary, either:

(A) immediately before and immediately after giving effect to such transaction or transactions on a pro forma basis (assuming that the transaction or transactions occurred on the first day of the period of four fiscal quarters ending immediately prior to the consummation of such transaction or transactions, with the appropriate adjustments with respect to the transaction or transactions being included in such pro forma calculation), the Company (or the Surviving Entity if the Company is not the continuing obligor under this Indenture) could incur \$1.00 of additional Indebtedness under Section 4.09(a); or

(B) immediately after giving effect to such transaction or transactions on a pro forma basis (assuming that the transaction or transactions occurred on the first day of the period of four fiscal quarters ending immediately prior to the consummation of such transaction or transactions, with the appropriate adjustments with respect to the transaction or transactions being included in such pro forma calculation), the Consolidated Fixed Charge Coverage Ratio of the Company (or the Surviving Entity if the Company is not the continuing obligor under this Indenture) will be equal to or greater than the Consolidated Fixed Charge Coverage Ratio of the Company immediately before such transaction or transactions;

(4) if the Company is not the continuing obligor under this Indenture, then each Subsidiary Guarantor, unless it is the Surviving Entity, shall have by supplemental indenture to this Indenture confirmed that its Subsidiary Guarantee of the Notes shall apply to the Surviving Entity's obligations under this Indenture and the Notes; and

(5) the Company (or the Surviving Entity if the Company is not the continuing obligor under this Indenture) shall have delivered to the Trustee, in form and substance reasonably satisfactory to the Trustee, an Officers' Certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer, lease or other disposition and any supplemental indenture in respect thereof comply with the requirements under this Indenture and that the requirements of this paragraph have been satisfied.

Notwithstanding the foregoing, this Section 5.01(a) shall not apply to any sale, assignment, transfer, conveyance, lease or other disposition of properties or assets between or among the Company and the Subsidiary Guarantors.

(b) Each Subsidiary Guarantor may consolidate with or merge into or sell or otherwise dispose of all or substantially all of its properties and assets to the Company or another Subsidiary Guarantor without limitation, except to the extent any such transaction is subject to Section 5.01(a). Each Subsidiary Guarantor may consolidate with or merge into or sell all or substantially all of its properties and assets to a Person other than the Company or another Subsidiary Guarantor (whether or not affiliated with the Subsidiary Guarantor); provided that (i) if the surviving Person is not the Subsidiary Guarantor, the surviving Person agrees to assume such Subsidiary Guarantor's Subsidiary Guarantee and all its obligations pursuant to this Indenture (except to the extent Section 10.02 would result in the release of such Subsidiary Guarantee) and (ii) such transaction does not (x) violate Article 4 or (y) result in a Default or Event of Default immediately thereafter that is continuing.

Section 5.02. Successor Substituted.

Upon any consolidation or merger or any sale, assignment, lease, conveyance, transfer or other disposition of all or substantially all of the properties and assets of the Company and its Restricted Subsidiaries on a consolidated basis in accordance with Section 5.01, in which the Company is not the continuing corporation, the Surviving Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if the Surviving Entity had been named as the Company herein, and in the event of any such sale, assignment, lease, conveyance, transfer or other disposition, the Company (which term shall for this purpose mean the Person named as the "Company" in the first paragraph of this Indenture or any successor Person which shall theretofore become such in the manner described in this Section 5.02), except in the case of a lease, shall be discharged from all obligations and covenants under this Indenture and the Notes and may be liquidated and dissolved.

ARTICLE 6

DEFAULTS AND REMEDIES

Section 6.01. Events of Default.

Each of the following is an "Event of Default":

(a) default in the payment of the principal of or premium, if any, on any of the Notes, whether such payment is due at Stated Maturity, upon redemption, upon repurchase pursuant to a Change of Control Offer or an Asset Sale Offer, upon acceleration or otherwise;

(b) default in the payment of any installment of interest on any of the Notes, when due, and the continuance of such default for a period of 30 days;

(c) default in the performance or breach of the provisions of Article 5, the failure to make or consummate a Change of Control Offer in accordance with Section 4.15 or the failure to make or consummate an Asset Sale Offer in accordance with Sections 3.08 and 4.10;

(d) the Company or any Subsidiary Guarantor shall fail to comply with Section 4.03 for a period of 120 days after written notice of such failure stating that it is a “notice of default” under this Indenture shall have been given (x) to the Company by the Trustee or (y) to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Notes then outstanding;

(e) the Company or any Subsidiary Guarantor shall fail to perform or observe any other term, covenant or agreement contained in the Notes, any Subsidiary Guarantee or this Indenture (other than a default specified in clauses (a), (b), (c) or (d) above) for a period of 60 days after written notice of such failure stating that it is a “notice of default” under this Indenture shall have been given (x) to the Company by the Trustee or (y) to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Notes then outstanding;

(f) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists or is created, if that default:

(1) is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness prior to the expiration of the grace period provided in such Indebtedness (a “*Payment Default*”); or

(2) results in the acceleration of such Indebtedness prior to its Stated Maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$75.0 million or more; provided, however, that if any such Payment Default is cured or waived or any such acceleration rescinded, or such Indebtedness is repaid, within a period of 30 days from the continuation of such Payment Default beyond the applicable grace period or the occurrence of such acceleration, as the case may be, such Event of Default and any consequential acceleration of the Notes shall be automatically rescinded, so long as such rescission does not conflict with any judgment or decree;

(g) any Subsidiary Guarantee shall for any reason cease to be, or be asserted by the Company or any Subsidiary Guarantor, as applicable, not to be in full force and effect (except pursuant to the release of any such Subsidiary Guarantee in accordance with this Indenture);

(h) failure by the Company or any Subsidiary Guarantor or any other Restricted Subsidiary to pay final judgments or orders rendered against the Company or any Subsidiary Guarantor or any other Restricted Subsidiary aggregating in excess of \$75,000,000 (net of any amounts covered by insurance with a reputable and creditworthy insurance company that has not disclaimed liability) and either (x) commencement by any creditor of an enforcement proceeding

upon such judgment (other than a judgment that is stayed by reason of a pending appeal or otherwise) or (y) the occurrence of a 60-day period during which a stay of such judgment or order, by reason of pending appeal or otherwise, was not in effect;

(i) the entry of a decree or order by a court having jurisdiction in the premises (x) for relief in respect of the Company or any Restricted Subsidiary that is a Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or (y) adjudging the Company or any Restricted Subsidiary that is a Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary bankrupt or insolvent, or approving a petition seeking reorganization, arrangement, adjustment or composition of the Company or any Restricted Subsidiary that is a Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary under any applicable federal or state law, or appointing under any such law a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any Restricted Subsidiary that is a Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary or of a substantial part of its consolidated assets, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days; or

(j) the commencement by the Company or any Restricted Subsidiary that is a Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or any other case or proceeding to be adjudicated bankrupt or insolvent, or the consent by the Company or any Restricted Subsidiary that is a Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary to the entry of a decree or order for relief in respect thereof in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by the Company or any Restricted Subsidiary that is a Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary of a petition or consent seeking reorganization or relief under any applicable federal or state law, or the consent by it under any such law to the filing of any such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Company or any Restricted Subsidiary that is a Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary or of any substantial part of its consolidated assets, or the making by it of an assignment for the benefit of creditors under any such law, or the admission by it in writing of its inability to pay its debts generally as they become due or taking of corporate action by the Company or any Restricted Subsidiary that is a Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary in furtherance of any such action.

Section 6.02. Acceleration.

(a) If an Event of Default (other than as specified in Sections 6.01(i) or (j)) shall occur and be continuing, the Trustee, by written notice to the Company, or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Trustee and the Company, may, and the Trustee upon the request of the Holders of not less than 25% in aggregate principal amount of the Notes then outstanding shall, declare the principal of, premium, if any, and accrued and unpaid interest on all of the Notes due and payable immediately, upon which declaration all amounts payable in respect of the Notes shall be immediately due and payable. If an Event of Default specified in Sections 6.01(i) or (j) occurs and is continuing, then the principal of, premium, if any, and accrued and unpaid interest on all of the Notes shall become and be immediately due and payable without any declaration, notice or other act on the part of the Trustee or any Holder of Notes.

(b) If the Notes are accelerated or otherwise become due prior to their Stated Maturity, the amount of principal of, accrued and unpaid interest and premium on the Notes that becomes due and payable shall equal the redemption price applicable with respect to an optional redemption of the Notes pursuant to Section 3.07, in effect on the date of such acceleration as if such acceleration were an optional redemption of the Notes accelerated.

(c) After a declaration of acceleration hereunder, but before a judgment or decree for payment of the money due has been obtained by the Trustee, the Holders of a majority in aggregate principal amount of the outstanding Notes, by written notice to the Company, the Subsidiary Guarantors and the Trustee, may rescind and annul such declaration if (1) the Company or any Subsidiary Guarantor has paid or deposited with the Trustee a sum sufficient to pay (A) all sums paid or advanced by the Trustee under this Indenture and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, (B) all overdue interest on all Notes, (A) the principal of and premium, if any, on any Notes which have become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Notes, and (D) to the extent that payment of such interest is lawful, interest upon overdue interest and overdue principal at the rate borne by the Notes (without duplication of any amount paid or deposited pursuant to subclause (B) or (C)); (2) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction; and (3) all Events of Default, other than the non-payment of principal of, premium, if any, or interest on the Notes that has become due solely by such declaration of acceleration, have been cured or waived.

Section 6.03. Other Remedies.

(a) If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, and interest and premium, if any, on, the Notes or to enforce the performance of any provision of the Notes or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04. Waiver of Past Defaults.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders of all of the Notes, waive any existing Default or Event of Default and its consequences under this Indenture except a continuing Default or Event of Default in the payment of principal of, premium, if any, or interest, if any, on the Notes (other than a payment Default or payment Event of Default that resulted from an acceleration that has been rescinded). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05. Control by Majority.

The Holders of a majority in aggregate principal amount of the outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on the Trustee hereunder. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in any financial or personal liability. In case an Event of Default has occurred and is continuing, prior to taking any action hereunder, the Trustee shall be entitled to reasonable indemnification or security (or both) against all loss, liability and expenses caused by the taking or not taking of such action.

Section 6.06. Limitation on Suits.

(a) Except to enforce the right to receive payment of principal, premium, if any, or interest, if any, when due pursuant to Section 6.07, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(i) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(ii) Holders of at least 25% in aggregate principal amount of the then outstanding Notes have made a written request to the Trustee to pursue the remedy;

(iii) such Holders have offered the Trustee, and the Trustee has received (if requested), reasonable security or indemnity (or both) against any loss, liability or expense;

(iv) the Trustee has not complied with such request within 60 days after its receipt of the request and the offer of reasonable security or indemnity (or both); and

(v) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07. Rights of Holders of Notes to Receive Payment.

Notwithstanding any other provision of this Indenture, the rights of any Holder to receive payment of principal of, and premium, if any, and interest, if any, on, the Notes, on or after the respective due dates expressed in the Notes (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08. Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company and the Subsidiary Guarantors for the whole amount of principal, interest and premium, if any, remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest on overdue installments of interest in each case at the rate specified in the Notes, and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09. Trustee is Authorized to File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims, and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10. Priorities.

- (a) If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:
- (1) *First:* to the Trustee and its agents and attorneys for amounts due under Section 7.06, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and costs and expenses of collection incurred by the Trustee;
 - (2) *Second:* to the Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, if any, respectively; and
 - (3) *Third:* to the Company or to such other Person as a court of competent jurisdiction shall direct.
- (b) The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7

TRUSTEE

Section 7.01. Duties of Trustee.

- (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise thereof as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.
- (b) Except during the continuance of an Event of Default:
- (1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are

specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of Section 7.01(b);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to clauses (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law. All money received by the Trustee shall, until applied as herein provided, be held in trust for the payment of the principal of, and premium, if any, and interest, if any, on, the Notes.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability.

(g) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its rights to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder and in its capacity as Trustee under any other agreement executed in connection with this Indenture to which the Trustee is a party.

Section 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of

Counsel. The Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed by it with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture; *provided* that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) If an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee, and the Trustee has received, reasonable indemnity or security (or both) against any loss, liability or expense.

(g) The Trustee shall not be charged with knowledge of any Default or Event of Default with respect to the Notes unless a written notice of such Default or Event of Default shall have been given to a Responsible Officer of the Trustee by the Company or any Holder.

(h) The permissive rights of the Trustee to act hereunder shall not be construed as a duty.

(i) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(j) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and titles of officers authorized at such times to take specified actions pursuant to this Indenture.

Section 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company, any Subsidiary Guarantor or any of their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent or Registrar may do the same with like rights. However, the Trustee must comply with Sections 7.09 and 7.11.

Section 7.04. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05. Notice of Defaults.

If a Default or an Event of Default occurs and is continuing and is known to the Trustee, in accordance with Section 7.02(g), the Trustee shall send to each Holder notice of the Default or Event of Default within 60 days after the occurrence thereof. Except in the case of a Default or an Event of Default in payment of principal of, premium, if any, or interest on any Notes, the Trustee may withhold the notice to the Holders of the Notes if the Trustee determines in good faith that withholding the notice is in the interest of the Holders of the Notes.

Section 7.06. Compensation and Indemnity.

(a) The Company shall pay to the Trustee from time to time such reasonable compensation as the Company and the Trustee may agree in writing for the Trustee's acceptance of this Indenture and services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Subsidiary Guarantors shall indemnify the Trustee, jointly and severally, against any and all losses, liabilities, damages, claims or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses (including, without limitation, fees and expenses of counsel) of enforcing this Indenture against the Company and the Subsidiary Guarantors (including this Section 7.06) and defending itself against any claim (whether asserted by the Company, any Subsidiary Guarantor or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability, damage, claim or expense may be attributable to its gross negligence or willful misconduct. The Trustee shall notify the Company and the Subsidiary Guarantors promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company and the Subsidiary Guarantors shall not relieve the Company or the Subsidiary Guarantors of their obligations hereunder. The Company and the Subsidiary Guarantors shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Company and the Subsidiary Guarantors shall pay the reasonable fees and expenses of such counsel. Neither the Company nor any Subsidiary Guarantor need pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

(c) The obligations of the Company and the Subsidiary Guarantors under this Section 7.06 shall survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee.

(d) To secure the Company's and the Subsidiary Guarantors' payment obligations in this Section 7.06, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal, premium, if any, and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(i) or (j) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) The immunities, protections and exculpations available to the Trustee under this Indenture shall also be available to each Agent, and the Company's and each Subsidiary Guarantor's obligations under this Section 7.06 to compensate and indemnify the Trustee shall extend likewise to each Agent.

Section 7.07. Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) The Trustee may resign in writing upon thirty 30 days' notice at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing and may appoint a successor trustee with the consent of the Company. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.09;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a receiver, Custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of at least 10% of the aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction, at the expense of the Company, for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.09, any Holder who has been a bona fide holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's and the Subsidiary Guarantors' obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

Section 7.08. Successor Trustee by Merger, etc.

If the Trustee consolidates with, or merges or converts into, or transfers or sells all or substantially all of its corporate trust business or assets to, another corporation or banking association, the successor corporation or banking association without any further act shall be the successor Trustee. As soon as practicable, the successor Trustee shall send a notice of its succession to the Company and the Holders.

Section 7.09. Eligibility; Disqualification.

There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trust powers, that is subject to supervision or examination by Federal or state authorities and that has (or its corporate parent shall have) a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

Section 7.10. Preferential Collection of Claims Against the Company.

The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated.

ARTICLE 8.

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01. Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may, at its option and at any time, elect to have either Section 8.02 or 8.03 be applied with respect to all outstanding Notes and all obligations of the Subsidiary Guarantors upon compliance with the conditions set forth below in this Article 8.

Section 8.02. Legal Defeasance and Discharge.

Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.02, subject to the satisfaction of the conditions set forth in Section 8.04, the Company shall be deemed to have discharged its obligations with respect to all outstanding Notes and each Subsidiary Guarantor shall be deemed to have discharged its obligations with respect to its Subsidiary Guarantee on the date the conditions set forth in Section 8.04 below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, and each Subsidiary Guarantor shall be deemed to have paid and discharged its Subsidiary Guarantee (which in each case shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (a) and (b) below) and to have satisfied all its other obligations under the Notes or such Subsidiary Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders of outstanding Notes to receive payment in respect of, the principal of, and premium, if any, and interest on such Notes when such payments are due;

- (d) the Legal Defeasance and Covenant Defeasance provisions of this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 8.03. Covenant Defeasance.

Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, the Company and each of the Subsidiary Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from their respective obligations under the covenants contained in Article 4 (other than those in Sections 4.01, 4.02, 4.04, 4.05, 4.06, 4.14 and 4.17) and in Section 5.01(a)(3) and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Subsidiary Guarantees, the Company and any Subsidiary Guarantor may omit to comply with

and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 of the option applicable to this , subject to the satisfaction of the conditions set forth in Sections 8.04, 6.01(e) and (f) shall not constitute Events of Default.

Section 8.04. Conditions to Legal or Covenant Defeasance.

(a) the Company or any Subsidiary Guarantor must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in United States dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the outstanding Notes to redemption or maturity;

(b) the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance or Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such legal defeasance or covenant defeasance had not occurred (in the case of Legal Defeasance, such opinion must refer to and be based upon a published ruling of the Internal Revenue Service or a change in applicable federal income tax laws);

(c) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or insofar as Sections 6.01(i) and (j) are concerned, at any time during the period ending on the 91st day after the date of deposit;

(d) such Legal Defeasance or Covenant Defeasance shall not cause the Trustee to have a conflicting interest under this Indenture with respect to any securities of the Company or any Subsidiary Guarantor;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument to which the Company or any Subsidiary Guarantor is a party or by which it is bound; and

(f) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel satisfactory to the Trustee, which, taken together, state that all conditions precedent under this Indenture to either Legal Defeasance or Covenant Defeasance, as the case may be, have been complied with.

Section 8.05. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions.

(a) Subject to Section 8.06, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 or 8.08 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company or any of its Subsidiaries acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, interest, and premium, if any, but such money need not be segregated from other funds except to the extent required by law.

(b) The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations deposited pursuant to Section 8.04 or 8.08 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

(c) Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the written request of the Company any money or U.S. Government Obligations held by it as provided in Section 8.04 or 8.08 which, in the opinion of a nationally recognized investment banking, appraisal firm or firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance, Covenant Defeasance or discharge, as the case may be.

Section 8.06. Repayment to the Company.

Subject to applicable escheat and abandoned property laws, any money or U.S. Government Obligations deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, or interest, or premium, if any, on, any Note and remaining unclaimed for two years after such principal, interest, and premium, if any, has become due and payable shall be paid to the Company on its written request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money or U.S. Government Obligations, and all liability of the Company as trustee thereof, shall thereupon cease; provided that the Trustee or such Paying Agent, before being required to make any such repayment, shall at the written request and expense of the Company cause to be published once, in the New York Times or The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 8.07. Reinstatement.

If the Trustee or the Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 8.05, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Subsidiary Guarantors' obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or the Paying Agent is permitted to apply all such money in accordance with Section 8.05; *provided* that, if the Company or any Subsidiary Guarantor makes any payment of principal of, interest, or premium, if any, on, any Note following the reinstatement of its obligations, the Company or such Subsidiary Guarantor, as applicable, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations deposited with or held by the Trustee or the Paying Agent.

Section 8.08. Discharge.

This Indenture and the Subsidiary Guarantees shall be discharged and shall cease to be of further effect as to all Notes issued hereunder (except as to (x) the rights of Holders of outstanding Notes to receive solely from the trust fund described in Section 8.08(a)(2), and as more fully set forth in such Section, payments in respect of the principal of, and interest and premium, if any, on, such Notes when such payments are due, (y) the Company's obligations with respect to such Notes under Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.10 and 4.02 and (z) the rights, powers, trusts, duties and immunities of the Trustee and each Agent hereunder and the Company's obligations in connection therewith), and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to all the Notes, when:

(a) either:

(i) all the Notes theretofore authenticated and delivered (except lost, stolen, mutilated or destroyed Notes which have been replaced or paid and Notes for whose payment money or U.S. Government Obligations have theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust) have been delivered to the Trustee for cancellation; or

(ii) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable or will become due and payable at their Stated Maturity within one year, or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the serving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and the Company has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit (in the case of Notes which have become due and payable) or to the Stated Maturity or redemption date, as the case may be, together with instructions from the Company irrevocably directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee

equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;

(b) the Company has paid or caused to be paid all other sums payable by it under this Indenture; and

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel which, taken together, state that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

ARTICLE 9.

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01. Without Consent of Holders of Notes.

(a) Notwithstanding the provisions of Section 9.02, without the consent of any Holder, the Company, the Subsidiary Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Subsidiary Guarantees in the following circumstances:

(1) to cure any ambiguity, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to provide for the assumption of the Company's or any Subsidiary Guarantor's obligations to the Holders in accordance with the terms hereof;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture of any such Holder in any material respect;

(5) to conform the text of this Indenture or the Notes to any provision of the "Description of the Notes" section of the Offering Memorandum to the extent that such provision in the "Description of the Notes" section of the Offering Memorandum was intended to set forth, verbatim or in substance, a provision of this Indenture or the Notes, as applicable, which intent may be evidenced by an Officers' Certificate to that effect;

(6) to evidence and provide for the acceptance of the appointment under this Indenture of a successor Trustee;

(7) to secure the Notes;

(8) to add any Subsidiary Guarantor or release any Subsidiary Guarantor from its Subsidiary Guarantee if such release is in accordance with the terms of this Indenture;

(9) to provide for the issuance of Additional Notes in accordance with this Indenture;

(10) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; *provided, however*, that such amendment does not materially and adversely affect the rights of Holders to transfer Notes; and

(11) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Subsidiary Guarantor with respect to the Notes.

(b) Upon the request of the Company, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee shall join with the Company and the Subsidiary Guarantors in the execution of any amendment or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into any such amendment or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02. With Consent of Holders of Notes.

(a) Except as provided above in Section 9.01 and below in this Section 9.02, the Company, the Subsidiary Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Subsidiary Guarantees with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and, subject to Section 6.04 and 6.07, any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes or the Subsidiary Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). However, without the consent of each Holder of an outstanding Note affected thereby, an amendment, supplement or waiver may not:

(1) reduce the percentage of principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of, or change the fixed maturity of, any Note or alter the provisions with respect to the redemption of the Notes (other than with respect to (x) minimum notice required for optional redemption or (y) the provisions relating to Sections 4.10 and 4.15), including any provision relating to the premium payable upon any such purchase or redemption;

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) impair the right of any Holder to institute suit for the enforcement of any payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the redemption date);

(5) waive a Default or Event of Default in the payment of principal of, or interest, or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(6) make any Note payable in money other than that stated in the Notes;

(7) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of, or interest, or premium, if any, on, the Notes;

(8) waive a redemption payment with respect to any Note (other than a payment required by Section 3.08, 4.10 or 4.15);

(9) release any Subsidiary Guarantor from any of its obligations under its Subsidiary Guarantee or this Indenture, except in accordance with the terms of this Indenture; or

(10) make any change in the preceding amendment, supplement and waiver provisions.

(b) Upon the request of the Company and upon the receipt by the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee shall join with the Company and the Subsidiary Guarantors in the execution of such amendment, supplement or waiver, unless such amendment, supplement or waiver affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amendment, supplemental indenture or waiver.

(c) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall send to the Holders a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

Section 9.03. Consents in Connection with Purchase, Tender or Exchange.

A consent to any amendment, supplement or waiver under this Indenture by any Holder given in connection with a purchase, tender or exchange of such Holder's Notes shall not be rendered invalid by such purchase, tender or exchange.

Section 9.04. Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of such Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and, except as provided in clause (c) of this Section 9.04, thereafter binds every Holder.

(b) The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver. If a record date is fixed, then notwithstanding the second to last sentence of the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to consent to such amendment, supplement or waiver or revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No consent shall be valid or effective for more than 90 days after such record date except to the extent that the requisite number of consents to the amendment, supplement or waiver have been obtained within such 90-day period or as set forth in clause (c) of this Section 9.04.

(c) After an amendment, supplement or waiver becomes effective, it shall bind every Holder, unless it makes a change described in any of clauses (1) through (12) of Section 9.02(a), in which case the amendment, supplement or waiver shall bind only each Holder of a Note who has consented to it and every subsequent Holder of a Note or portion of a Note that evidences the same Indebtedness as the consenting Holder's Note.

Section 9.05. Notation on or Exchange of Notes.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company, in exchange for all Notes, may issue and the Trustee shall authenticate new Notes that reflect the amendment, supplement or waiver. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06. Trustee to Sign Amendments, etc.

The Trustee shall sign any amendment or supplemental indenture or grant any waiver authorized pursuant to this Article 9 if the amendment or supplemental indenture or waiver does not adversely affect its rights, duties, liabilities or immunities. If any such amendment, supplemental indenture or waiver does adversely affect the rights, duties, liabilities or immunities of the Trustee, the Trustee may, but need not, sign such amendment, supplemental indenture or grant such waiver. In executing any such amendment, supplemental indenture or waiver, the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon, in addition to the documents required by Section 12.02, an Officers' Certificate and an Opinion of Counsel each stating that the execution of such amendment, supplemental indenture or waiver is authorized or permitted by this Indenture.

Section 9.07. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given, made or taken by Holders shall be in writing may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the “Act” of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 7.01) conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section 9.07.

(b) Without limiting the generality of this Section 9.07, unless otherwise provided in or pursuant to this Indenture, (i) a Holder, including the Depositary or its nominee that is a Holder of a Global Note, may give, make or take, by an agent or agents duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in or pursuant to this Indenture to be given, made or taken by Holders, and the Depositary or its nominee that is a Holder of a Global Note may duly appoint in writing as its agent or agents members of, or participants in, the Depositary holding interests in such Global Note in the records of the Depositary; and (ii) with respect to any Global Note, any consent or other action given, made or taken by an Agent Member by electronic means in accordance with the “Automated Tender Offer Procedures” system or other customary procedures of, and pursuant to authorization by, the Depositary shall be deemed to constitute the Act of the Holder of such Global Note, and such Act shall be deemed to have been delivered to the Company and the Trustee upon the delivery by the Depositary of an “agent’s message” or other notice of such consent or other action having been so given, made or taken in accordance with the applicable policies and procedures of the Depositary.

(c) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a Person acting in a capacity other than such Person’s individual capacity, such certificate or affidavit shall also constitute sufficient proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(d) The ownership of Notes shall be proved by the Note Register.

(e) Without limiting the foregoing, a Holder entitled hereunder to give, make or take any action hereunder with regard to any particular Note may do so, or duly appoint in writing any Person or Persons as its agent or agents to do so, with regard to all or any part of the principal amount of such Note.

ARTICLE 10.

GUARANTEES OF NOTES

Section 10.01. Subsidiary Guarantees of Notes.

(a) Subject to this Article 10, each of the Subsidiary Guarantors hereby absolutely and unconditionally guarantees, jointly with the other Subsidiary Guarantors and severally, as primary obligor and not merely as surety, on a senior basis to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and their respective successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Company hereunder and thereunder, that:

(1) the principal of, and premium, if any, and interest, if any, on, the Notes will be promptly paid in full when due, whether at Stated Maturity, by acceleration, upon repurchase or redemption or otherwise, and interest on the overdue principal of, and premium, if any, and (to the extent permitted by law) interest, if any, on, the Notes, and all other payment Obligations of the Company to the Holders or the Trustee under this Indenture or the Notes will be promptly paid in full and performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other Obligations, the same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, subject to any applicable grace period, whether at Stated Maturity, by acceleration, upon repurchase or redemption or otherwise.

(b) Failing payment when so due of any amount so guaranteed for whatever reason, the Subsidiary Guarantors will be jointly and severally obligated to pay the same immediately. Each Subsidiary Guarantor agrees that this is an absolute, unconditional, present and continuing guarantee of payment and performance (and not a guarantee of collection) and is in no way conditioned upon any attempt to collect from the Company or any other Subsidiary Guarantor or any other action, occurrence or circumstance whatsoever.

(c) The Subsidiary Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance (other than complete performance) which might otherwise constitute a legal or equitable discharge or defense of a Subsidiary Guarantor. Each Subsidiary Guarantor further, to the extent permitted by law, hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that its Subsidiary Guarantee will not be discharged except by complete performance of the Obligations contained in the Notes and this Indenture.

(d) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Subsidiary Guarantors, or any Custodian, trustee or other similar official acting in relation to any of the Company or the Subsidiary Guarantors, any amount paid by the Company or any Subsidiary Guarantor to the Trustee or such Holder, the Subsidiary Guarantees, to the extent theretofore discharged, shall be reinstated in full force and effect.

(e) Each Subsidiary Guarantor further agrees that, as between the Subsidiary Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of its Subsidiary Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed thereby, and (2) in the event of any declaration of acceleration of such Obligations as provided in Article 6, such Obligations (whether or not due and payable) shall forthwith become due and payable by each Subsidiary Guarantor for the purpose of its Subsidiary Guarantee. The Subsidiary Guarantors shall have the right to seek contribution from any non-paying Subsidiary Guarantor in accordance with Section 10.03 so long as the exercise of such right does not impair the rights of the Holders under the Subsidiary Guarantees.

Section 10.02. Releases of Subsidiary Guarantees.

(a) The Subsidiary Guarantee of a Subsidiary Guarantor will be automatically and unconditionally released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of that Subsidiary Guarantor (including by way of merger or consolidation) other than to the Company or another Subsidiary Guarantor, if such transaction as of the time of such disposition does not violate Section 4.10; *provided* that any such release shall occur only to the extent that all obligations of such Subsidiary Guarantor under all of its guarantees of, and under all of its pledges of assets or other security interests which secure, other Indebtedness for borrowed money of the Company or any Subsidiary Guarantor shall also be released upon such sale or other disposition;

(2) in connection with any sale or other disposition of the Capital Stock of a Subsidiary Guarantor (including by way of merger or consolidation) other than to the Company or another Subsidiary Guarantor, if such transaction at the time of such disposition does not violate Section 4.10 and the Subsidiary Guarantor ceases to be a Restricted Subsidiary of the Company as a result of such transaction;

(3) if the Company designates any Restricted Subsidiary that is a Subsidiary Guarantor as an Unrestricted Subsidiary in accordance with the provisions of this Indenture;

(4) upon the liquidation or dissolution of such Subsidiary Guarantor;

(5) if the Company effects a Legal Defeasance in accordance with Section 8.02 or a Covenant Defeasance under Section 8.03, or if it satisfies and discharges this Indenture in accordance with Section 8.08; or

(6) at such time as such Subsidiary Guarantor ceases to guarantee any other Indebtedness for borrowed money of the Company or any other Subsidiary Guarantor.

(b) Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect and stating that any of the conditions described in clauses (1) through (6) of Section 10.02(a) has occurred, the Trustee shall execute any documents reasonably requested by the Company at the Company's expense in order to evidence the release of any Subsidiary Guarantor from its obligations under its Subsidiary Guarantee. Any Subsidiary Guarantor not released from its obligations under its Subsidiary Guarantee shall remain liable for the full amount of principal of, and interest and premium, if any, on, the Notes and for the other obligations of such Subsidiary Guarantor under this Indenture as provided in this Article 10.

Section 10.03. Limitation on Subsidiary Guarantor Liability.

Each Subsidiary Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Subsidiary Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state or foreign law to the extent applicable to any Subsidiary Guarantee. The obligations of each Subsidiary Guarantor under its Subsidiary Guarantee will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Subsidiary Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Subsidiary Guarantor in respect of the obligations of such other Subsidiary Guarantor under its Subsidiary Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Subsidiary Guarantor under its Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state or foreign law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally. Each Subsidiary Guarantor that makes a payment or distribution under a Subsidiary Guarantee shall be entitled to a contribution from each other Subsidiary Guarantor in a *pro rata* amount based on the Adjusted Net Assets of each Subsidiary Guarantor.

Section 10.04. "Trustee" to Include Paying Agent.

In case at any time any Paying Agent other than the Trustee shall have been appointed and be then acting hereunder, the term "Trustee" as used in this Article 10 shall in each case (unless the context shall otherwise require) be construed as extending to and including such Paying Agent within its meaning as fully and for all intents and purposes as if such Paying Agent were named in this Article 10 in place of the Trustee.

Section 10.05. Execution and Delivery of Guaranty.

The execution by each Subsidiary Guarantor of this Indenture (or a supplemental indenture hereto) evidences the Subsidiary Guarantee of such Subsidiary Guarantor, whether or not the person signing as an Officer of the Subsidiary Guarantor still holds that office at the time of authentication of any Note. The delivery of any Note by the Trustee after authentication constitutes due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of each Subsidiary Guarantor.

Section 10.06. Subrogation.

Each Subsidiary Guarantor shall be subrogated to all rights of Holders against the Company in respect of any amounts paid by the Subsidiary Guarantor pursuant to the provisions of Section 10.01; *provided* that no Subsidiary Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

(c) Where this Indenture provides for notice of any event to Holders by the Company, any Subsidiary Guarantor or the Trustee, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and either (1) mailed, first-class postage prepaid, to each Holder affected by such event, at his address as it appears in the Note Register, within the time prescribed for the giving of such notice or (2) in the case of Notes held in the form of a Global Note, sent or transmitted to Holders in any manner that is in accordance with the applicable procedures of the Depository. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Notices to Holders given by publication or electronic delivery shall be deemed given on the first date on which publication or electronic delivery is made and notices given by first-class mail, postage prepaid, shall be deemed given five calendar days after mailing. If either the Company or any Subsidiary Guarantor mails a notice or communication to any Holder, it shall mail a copy to the Trustee and each Agent at the same time.

(d) In case by reason of the suspension of or irregularities in regular mail service or by reason of any other cause, it shall be impracticable to mail notice of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice for every purpose hereunder.

(e) Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by any Holder shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(f) The Trustee shall accept electronic transmissions; *provided* that (1) the Trustee shall not have any duty or obligation to verify or confirm that the Person sending instructions, directions, reports, notices or other communications or information by electronic transmission is, in fact, a Person authorized to give such instructions, directions, reports, notices or other communications or information on behalf of the party purporting to send such electronic transmission, and the Trustee shall not have any liability for any losses, liabilities, costs or expenses incurred or sustained by any party as a result of such reliance upon or compliance with such instructions, directions, reports, notices or other communications or information and (2) each other party agrees to assume all risks arising out of the use of electronic methods to submit instructions, directions, reports, notices or other communications or information to the Trustee, including, without limitation, the risk of the Trustee acting on unauthorized instructions, notices, reports or other communications or information, and the risk of interception and misuse by third parties.

Section 12.02. Certificate and Opinion as to Conditions Precedent.

Upon any request or application by the Company to the Trustee or any other Agent to take any action or refrain from taking any action under this Indenture, the Trustee or such other Agent shall be entitled to receive from the Company:

(a) an Officers' Certificate in form and substance reasonably satisfactory to the Trustee or such Agent (which shall include the statements set forth in Section 12.03) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

(b) an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee or such Agent (which shall include the statements set forth in Section 12.03) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been satisfied.

Section 12.03. Statements Required in Certificate or Opinion.

Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

(a) a statement that the person making such certificate or opinion has read such condition or covenant;
