REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Company's Compensation Committee's duties include the annual review and approval of the Company's management compensation strategy, review and determination of individual elements of compensation for the Company's executive officers and oversight of the administration of the Company's 1991 Long-term Incentive Plan (the "Incentive Plan"). The Compensation Committee has not established any specific criteria in determining executive compensation. To achieve the basic goals of the Company's compensation policies, the Compensation Committee sets annual base salaries for the chief executive officer and the other executive officers and awards discretionary bonuses based on the Company's financial performance during the prior year, as well as the Compensation Committee's assessment of an individual's own performance in the position held by that person. In 1994, the Compensation Committee held one meeting.

Base Salaries. The Compensation Committee's policy with regard to executive base salaries is to set total executive compensation, including base salaries, within a competitive range given the Company's aggressive growth strategy. Once generally established, base salaries are adjusted within the competitive range on an individual basis based on past performance. In 1994, the Compensation Committee did not adjust Mr. Allison's base salary. During 1994, the Committee did approve increases of 15% and 16% to the base salaries of Mr. Burns and Mr. Myers, respectively.

Cash Bonuses. The Compensation Committee granted cash bonuses of \$175,000 in the aggregate to three executive officers for 1994 in January 1995, including \$130,000 to M. Jay Allison, the Company's President and Chief Executive Officer, for their performance with respect to implementing the 1994 acquisition program, in restructuring and strengthening the Company's balance sheet and for the successful oil and gas development activities completed during the year. These 1994 accomplishments, in the opinion of the Committee, substantially enhanced the long-term business and financial prospects of the Company. The size of the bonuses was determined based upon the Compensation Committee's assessment of the contribution of each executive officer. The primary factor considered by the Compensation Committee with respect to the bonuses paid to Mr. Allison was his role in directing the 1994 acquisition program and the restructuring of the Company's balance sheet. An additional factor considered in determining the size of the bonus paid to Mr. Allison was the fact that his base salary had not been increased for the last three fiscal years.

Incentive Plan Awards. During the fiscal year ended December 31, 1994, the Compensation Committee did not make any awards under the Incentive Plan. However, in January 1995, the committee did award options under the Incentive Plan to purchase 97,500 shares of Common Stock, at an exercise price of \$3.00 a share, to the Company's executive officers and certain key managerial employees for their performance in 1994. The option exercise price was set at the market price of Common Stock on the date of grant. Of the options awarded in January 1995, options to purchase 82,500 shares of Common Stock were awarded to executive officers and options to purchase 15,000 shares of Common Stock were awarded to other key managerial employees. Of the options awarded to executive officers, options to purchase 50,000 shares of Common Stock were awarded to Mr. Allison. Both the size of grants and the proportion relative to the total number of option shares granted generally increased as a function of the recipient's higher level of responsibility within the Company and individual performance. The rationale for the grants of options, including the grant to Mr. Allison, included superior executive performance in 1994.

EMPLOYMENT AGREEMENTS

Effective July 1, 1994, the Company entered into employment agreements with M. Jay Allison, the President and Chief Executive Officer of the Company, and Roland O. Burns, Senior Vice President, Chief Financial Officer, Secretary and Treasurer of the Company. Under the agreements, the Company agreed to employ each of Messrs. Allison and Burns for a period of twelve months at a minimum base rate of \$245,000, and \$128,000 per annum, respectively. Each of the agreements provides for the payment of severance benefits in an amount equal to three times the existing annual base salary of the employee upon (i) a change in control followed by (ii) the occurrence of certain specified events, including the assignment of the employee to duties inconsistent with his position immediately prior to the change in control, a reduction in the employee's salary, requiring the employee to be relocated, failure of a purchaser to assume the obligations of the Company under the agreement, failure of the Company to re-elect the employee to the offices held by him immediately prior to a change in control and a breach by the Company (or any successor) of any provisions of the agreement. The severance benefit payments are payable in cash in equal payments (without interest over a period not to exceed twelve months). As defined in the agreements, a "change in control" is deemed to have taken place if (a) without the approval or recommendation of a majority of the then existing Board of Directors of the Company, a third person causes or brings about the removal or resignation of the then existing members of the Board or if a third person causes or brings about an increase in the size of the Board such that the then existing members of the Board thereafter represent a minority of the total number of persons comprising the entire Board; (b) a third person, including a group, becomes the beneficial owner of shares of any class of the Company's stock having 30 percent or more of the total number of votes that may be cast for the election of directors of the Company; (c) any shares or any class of the Company's stock are purchased pursuant to a tender or exchange offer (other than an offer by the Company) or (d) the Company's stockholders approve a merger or other business combination of the Company with or into another corporation pursuant to which the Company will not survive or will survive only as a subsidiary of another corporation, or the sale or other disposition of all or substantially all of the assets of the Company, or any combination of the foregoing.

Additionally, the non-qualified stock options and restricted stock grants awarded to Messrs. Allison and Burns under the Company's 1991 Long-term Incentive Plan become 100% vested in the event of a change in control of the Company.

CERTAIN TRANSACTIONS

The Company serves as general partner of Comstock DR-II Oil & Gas Acquisition Limited Partnership (the "Partnership"). For 1993 and 1994, the Company received \$87,000 in management fees in each year from the Partnership and earned acquisition fees from the Partnership of approximately \$180,000 and \$56,000 in 1993 and 1994, respectively. The Company's accounts receivable include approximately \$47,000 and \$208,000 receivable from the Partnership at December 31, 1993 and 1994, respectively.

During October through December 1994, the Company purchased an additional 17% working interest in the Bivins Ranch lease covering certain oil and gas properties in the Texas Panhandle field from certain of the Company's shareholders, including trusts for the benefit of two of the Company's directors' family members, certain relatives of one of the Company's directors and other unaffiliated investors. The Company paid for the purchase of such interests by assuming outstanding joint interest payables on the properties aggregating \$186,000, paying \$365,000 in cash and by granting the Sellers options to purchase an aggregate of 503,557 shares of Common Stock at a price of \$5.00 per share. The options expire five years from the date of grant.

PROPOSAL NO. 2
RESTATEMENT OF THE ARTICLES OF INCORPORATION

Since its inception in 1983, the Company has adopted, with stockholder approval, a number of amendments to the original Articles of Incorporation. The Company desires to memorialize and incorporate all of the amendments in one document. Under Nevada law, stockholder approval is required to restate the Articles of Incorporation. As a result, the Board has approved the adoption of the Restated Articles of Incorporation in the form of Exhibit A to this Proxy Statement and proposes that the stockholders adopt the following resolution:

"RESOLVED: That the Restated Articles of Incorporation of Comstock Resources, Inc. in the form of Exhibit A to the Company's 1995 Proxy Statement, with such immaterial modifications thereto as the Board of Directors may deem necessary and as may be consistent with Nevada law, are hereby approved."

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR ADOPTION OF THE RESTATED ARTICLES OF INCORPORATION. PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THEIR PROXIES.

PROPOSAL NO. 3
RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors, upon the recommendation of the Audit Committee, has appointed Arthur Andersen LLP as independent public accountants to audit the consolidated financial statements of the Company for 1995. Stockholders are being asked to ratify this appointment. Arthur Andersen LLP has served the Company in this capacity since 1989. Representatives of Arthur Andersen LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR SUCH RATIFICATION. PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THEIR PROXIES.

THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE SHARES OF COMMON STOCK PRESENT OR REPRESENTED AND ENTITLED TO VOTE AT THE ANNUAL MEETING IS NECESSARY FOR ADOPTION OF THE RESTATED ARTICLES OF INCORPORATION AND RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT ACCOUNTANTS. ABSTENTIONS WITH RESPECT TO PROPOSAL 2 OR 3 WILL HAVE THE EFFECT OF BEING SUBSTANTIALLY EQUIVALENT TO VOTES AGAINST THE PROPOSAL BECAUSE A MINIMUM NUMBER OF FAVORABLE VOTES, BASED UPON THE NUMBER OF SHARES HELD BY PERSONS PRESENT OR REPRESENTED AND ENTITLED TO VOTE AT THE ANNUAL MEETING, IS REQUIRED FOR APPROVAL AND SUCH SHARES WILL BE CONSIDERED AS ENTITLED TO VOTE ON THE PROPOSAL. BROKER NON-VOTES ON PROPOSAL NO. 2 WILL NOT AFFECT THE OUTCOME OF THE VOTE. SUCH SHARES ARE NOT CONSIDERED TO BE "ENTITLED TO VOTE" ON SUCH MATTERS AND THEREFORE ARE NOT COUNTED IN DETERMINING THE NUMBER OF VOTES ELIGIBLE TO BE CAST FOR THE PROPOSAL.

STOCKHOLDER PROPOSALS

Any proposal which a stockholder intends to present at the Company's annual meeting of stockholders in 1996 must be received by the Company by December 27, 1995, in order to be eligible for inclusion in the proxy statement and form of proxy relating to such meeting.

OTHER BUSINESS

The Board of Directors is not aware of any matters other than those set forth above which will be presented for action by the stockholders at the meeting, but if any other matters should be presented, the persons named in the proxy intend to vote such proxies in accordance with their best judgement.
